Honour County Firemen For Prevention Work

A certificate of merit has been awarded Halton county for its part in fire prevention in Canada last year. The county was entered in the nation-wide competition by the Halton Mutual Aid Fire Association from every township, and notification that this area placed seventeenth was received by the chiefs when the association met in Aldershot on Sunday, June 14th.

Chief Jack Harlow who represented the local brigade said that all departments will be getting copies of the certificate to display in their halls.

The major discussion at the meeting and a special meeting earlier in the week concerned the adoption of radio hook-ups between trucks but chief Harlow said no conclusion was reached and it may be some time before the idea is put into effect.

GHS COMMERCIAL GRAD INJURED IN CAR ACCIDENT

A student of Georgetown high school's commercial class this year, Pat Moyses, 16, was one of two Acton girls taken to Guelph General Hospital with numerous injuries last week when the car they were riding in went out of control on a curve on No. 7 Highway half a mile west of Rockwood and rolled into a ditch. Four others in the car suffered minor bruises.

Darlene Lambert, 20, was taken to hospital with undetermined internal injuries and face cuts received when she was pinned under the car while Pat Moyses suffered a dislocated hip and severe shock. The driver of the car, Arnold Weatherstone, 20, and passengers Charles Pinson, 19, and Jack Cur-

Milton Lady Entertains For Manor Lady Residents

The lovely home of Mr. and Mrs. Stewart Lockie on Court-St. in Milton was the rendezvous for twenty-six women residents of Halton Manor on Wednesday afternoon and evening, June 3. The visitors were transported to and from the home in motor cars. Mrs. Lockie is the very capable and popular director of the Halton Manor Hobby class. Twelve of the women residents attended the afternoon tea party, and there were two special visitors, Miss Georgina Young and Mrs. R. McCuaig of Milton. Mrs. McCuaig delighted the guests with her three vocal solos, one of which was "Drink to Me Only, Afternoon tea, delicious sandwiches and very attractive small cakes were served, with Mrs. Stan Allen, wife of the Superintendent of the Manor, and the assistant director of the hobby class, pouring the tea. Prizes for two lucky tea cups were won by Mrs. N. Given and Mrs. M. Jenkin, both of whom are residents of the Manor. Fourteen ladies attended the evening tea party. Mrs. Tom Chisholm and Mrs. Ken Foster, both of Milton, and Mrs. Ken O'Neill and Tommy of Hornby were guests also. Tommy sang two very fine solos, Tell Me Not of a Lovely Lass and the familiar hymn, Softly and Tenderly. Mrs. Foster and Mrs. Lockie played the stirring Soldiers' Chorus from the opera Faust as a piano duet and Mrs. Foster played several lovely piano solos. Mrs. Allen poured tea in the evening also. The prize for the lucky tea cup was won by Mrs. E. Hills of the Manor, and a prize for the nearest birthday was won by Mrs. Tom Chisholm of Milton. Since Mrs. Elsie Fisker, one of the residents was observing her birthday that very day, the "Happy Birthday" song was sung for her. Mrs. Lockie's generosity and hospitality on this delightful afternoon and evening will long be treasured in the memories of the women residents of the Manor.

One of the most striking and attractive motion picture films ever to be shown at the Manor was shown on Saturday evening, June 6th, when Mr. Harry McDougall of Erindale brought his travelogue Holiday in Europe to the Manor as entertainment for the residents. Holiday in Europe is the motion picture record of a four week holiday that Mr. and Mrs. McDougall enjoyed in several European countries. The film, which was in beautiful color, was complete with

a very clear tape recording made by Mr. McDougall himself, and appropriate background music. Mr. and Mrs. McDougall flew across the Atlantic to England. Since the continent was their prime objective they spent only two days in England. During these two days in England, however, they took time out to visit the seaside resort of Blackpool, where they filmed the famous illuminations. During these illuminations, every shop, street car, bus, amusement park and other public place are decorated with coloured lights and the whole effect is very striking. From England the McDougalls flew to Zurich, Switzerland where they procured a Volkswagen for their European motor tour. Entering Austria they spent some time in the quaint rural villages in the Tyrol. Next they visited Bavaria famous for its unique castles built by Mad King Ludwig, Oberammergan, the scene of the Passion Play, Innsbruck and Salsburg. Leaving Bavaria and entering Italy through the Dolomites, the McDougalls reached Venice where they spent a number of days in this city of 115 islands and 160 canals. Beautiful pictures were taken of the famous sights of Venice such as St. Mark's Square and Basilica, the Palace of the Doges and the Bridge of Sighs. From Venice they motored to Verona, the home of Romeo and Juliet and then to the Italian and French Riviera. Two of the pleasure resorts visited here were Mentone and Monaco and from here they returned to Switzerland. After travelling by mountain train to the summit of the Jungfrau and visiting Lugano near the Italian border, they took a side trip to Como in Italy and to the castle of Chillon, famous in literature. Their European tour ended here after a most enjoyable four week period. The residents found the travelogue most attractive and interesting, and would be glad to have the opportunity of seeing many more in the future. Their thanks go out to Mr. MacDougall for having made such an enjoyable evening possible.

The church service in the Chapel on Sunday afternoon, June 8, was inspiring from two very fine standpoints, first from the standpoint of the lovely music presented and secondly from the standpoint of the very earnest and impressive sermon delivered by Rev. K. L. Campbell, pastor of Emmanuel Baptist Church in Milton. The music was presented by two talented ladies, Mrs. W. Bissell of Milton and Miss Ruth Shaw of Toronto. Miss Shaw is on the staff of the Toronto office of the Voice of the Andes radio broadcast in Quito, Ecuador. She has also been the soloist on the Emmanuel Baptist Church services broadcast over the Oakville radio station on Sunday evenings for the past month. Miss Shaw possesses a very fine contralto voice and her two solos, The Stranger of Galilee and The Peace that Jesus Gives were very much enjoyed by the residents. Mrs. Bissell too displayed fine musical ability in her playing of the piano accompaniments for the solos and the hymns. Mr. Campbell based his sermon on the two miracles of Christ as described in Chapter 5 of St. Mark's Gospel, beginning with verse 22. He explained the significance of the fact that Jairus was a Jew, yet he sought Christ's help in the illness of his daughter. When Christ said to Jairus "Only Believe," He teaches us who are living in the present day that Christ can satisfy our every need too. On His way to the home of Jairus, the woman who had been ill for many years, pressed through the throng to touch the hem of His garment, and this teaches us that we can all come to Christ just as we are. The lessons contained in the descriptions of these miracles are the same for us today as they were for the people who were living 2,000 years ago.

On Sunday afternoon, May 21st, a very inspiring service was conducted in the chapel under the auspices of the Society of Gideons. Mr. Andrew T. Dalby and Mr. Stan Wright of Oakville had charge of the service and Mrs. Doris Hewery, Mr. Dalby's daughter, was the very capable pianist for the well known hymns that were sung. Mr. Wright read psalm 55 as the scripture reading and Mr. Dalby delivered a sermon that was both inspiring and interesting, based on this same psalm.

Psalm 55, Mr. Dalby explained, was based on an experience that David had when he was an old man and had begun to lose his one-time strength and vigor. His son Absalom, to whom he was very much devoted, had the ambition to replace his father as king of Israel and David had been forced to seek refuge in the mountains. Here he longed to have the wings of a dove that he might fly away from his troubles. Mr. Dalby explained that it is better to imitate the eagle rather than the dove, and rise above our troubles, for if we cast our burdens upon the Lord He will sustain us. Mr Dalby added to the inspiration

CLAIM WITNESS RIGHTS ENIED IN ARGENTINA

The Georgetown congregation of Jehovah's Witnesses learned June 11th that Jehovah's Witnesses in Argentina have been denied their constitutional rights of free assembly and worship.

A vote of protest was taken and the plans discussed to petition the Argentine Republic to correct the restrictions laid on the Christian group's activities.

Mr. George R. Brandford, the local congregation's presiding minister, said that in spite of many liberal advancements made by the present Argentine government that ousted the dictatorial Peron regime, a few non-Catholic religious groups that were declared illegal by Peron have yet to be recognized by Argentine's constitutional president, Arturo Frondizi.

According to Mr. Brandford, two different applications for recognition were denied by the "Ministry of Worship" a department of the government formed by Peron to control the registry of all non-Catholic religions in the country.

Furthermore, two futile appeals have been made to the present government to rescind the order denying Jehovah's Witnesses the right to register.

The latest appeal was made following a new decree signed by Frondizi on February 6th, 1959, giving non-Catholic religions full right to worship God as guaranteed by Article 14 of the Argentine Constitution.

Mr. Brandford said the more than 6,000 Jehovah's Witnesses in Argentina began circulation of a petition addressed to the president of the Argentine republic requesting recognition under the new, liberal provision of his government.

The neighbouring countries of Bolivia, Chile, Paraguay, and Uruguay, are circulating similar petitions to acquaint the people of those countries, as well as Frondizi, with the condition that exists in Argentina.
