### Mrs. V. MacDonald is Hostess St. John's W.A.

Members of group 'B' of St. John's United Church W.A. held their closing meeting at the home of Mrs. Victor MacDonald last Wednesday where Mrs. R. H. Wright led the devotional period taking as her theme "Forgiveness."

The paper was based on the gospel of Luke, chapter 7 verses 36 to 50. "The greatest word spoken in heaven or on earth is forgiveness—like all the colours of the rainbow this word has all the attributes of God, His wisdom, power, holiness, justice, goodness, and truth" stated Mrs. Wright. The roll call was answered by the members naming the month of their birth and the corresponding flower. A number of aprons were displayed by the hostess in readiness for the bazaar in the fall and many others are in the making by those who sew.

Mrs. G. Urquhart and Mrs. J. Kirkwood conducted two interesting contests which were both won by Mrs. Morgan McFarlane and after tea served by Mrs. S. Gowland and Miss Hazel Harrison everyone enjoyed a stroll on the lawn to see the flowers, Iris, Peonies, Poppies etc.

### Sisters, Mother Share Car Bingo Prize Money

Saturday evening, June 27th, will be a never to be forgotten day in the life of Mrs. Gordon Harley, 33 John Street, for on that evening she realized a dream every bingo player has—that of winning a car. Mrs. Harley won the '59 Rambler at the giant car bingo sponsored by the Canadian Legion Branch 234 in Guelph Memorial Gardens.

Mrs. Harley shared the ticket with her mother Mrs. Henry Isley, Limehouse and her sister Mrs. Joseph Hough, Guelph and they took the cash prize-money in place of the car, each one's winning being \$666.66, each share in the ticket cost 33c.

Mrs. Harley has been lucky on three previous occasions sharing \$300 with five and twice she was on a three-way split for \$25.00. Her winnings have been increasing each time so it is hoped that she will be a single ticket holder and bring home the car.

### Lightning Blacks Out District For Five Hours

Residents of Georgetown, Brampton, Glen Williams, Streetsville and rural areas were without hydro Saturday afternoon from 1.14 p.m. until about 6.00 o'clock due to a direct stroke of lightning hitting the present P.S. Station about two miles this side of Brampton.

A temporary amount of hydro was piped in from Guelph in the early part of the evening. This was of quite low voltage and residents were asked to use as few electrical appliances as possible until full power was again available.
