Mrs. Baxter is Hostess Local Council Of Women

The season's last meeting of the Local Council of Women, was held at the home of Mrs. D. W. Baxter, 41 Charles St., on the afternoon of June 19th.

The meeting was opened by the president, Mrs. Paul, with a silent prayer, and following this, the minutes of the previous meeting were read by Mrs. Edwin Wilson. Mrs. Floria Nodwell presented the Treasurer's report, which showed a very creditable balance for the year.

A report from the Canadian Association of Consumers was presented by Mrs. F. W. Johnson. This lengthy report answered many questions on the marketing of consumer goods.

To end the business part of the meeting, the correspondence was read by Miss Hettie Lawson. Tea was served by Mrs. Curtis and Mrs. Coughlan, the hostesses assistant to Mrs. Baxter.

Local women interested in problems of community improvements and general problems relating to the Canadian economy are invited to attend the Local Council meetings.

Miles mean nothing to the Dupuis family of Oakville as they send a recorded message to Sergeant Donald J. Dupuis who is serving with the Canadian Army Pay Corps in Egypt. Several Canadian radio stations in co-operation with John Labatt Limited, recorded the voices of scores of servicemen's families and shipped the recordings overseas where they will be heard during celebrations marking Dominion Day, July 1. Mrs. Dupuis brings her husband up to date on local happenings along with sons Douglas, left and Timmy.

YOU GET MORE OUT OF LIFE WHEN YOU GET THE MOST OUT OF ELECTRICITY

Anytime, any day—your favourite snack is ready, fresh and appetizing in your electric refrigerator-freezer.

With an electric refrigerator-freezer you can store all kinds of out-of-season foods for enjoyment all year round. You can buy in quantity too (it saves you money) — cut down on trips to the store... eliminate trips on rainy days. When you entertain, an electric refrigerator-freezer gives you more time with your guests, because you're able to prepare food ahead of time. An electric refrigerator-freezer is safe, clean, and modern. It costs just a few cents a day to operate.

You get more out of life, when you get the most out of electricity.

Household Hint
by Anne Allan
Before freezing, most vegetables should be scalded or "blanched" to preserve flavour, colour and food value.

Electricity does so much... costs so little
