GEORGETOWN
COMMUNITY

SOCCER

After a disappointing debut the Bantam Hearts have come on to be the hottest club in the Oakville and District Soccer League, and are now breathing hard down the neck of the league leading Mimicos. In Dixie on Thursday the locals handed the highly rated Platts a 7 to 1 "pie-in-the-face" and for the big part of the game walloped the hosts in their own half of the field.

Leading the defensive effort were full backs Mike Pickup and Tony Grimes. The win was the second decisive triumph in two weeks for the Hearts.

The smaller half of the Georgetown one-two soccer punch, the Atoms, have gone undefeated in five games and clash with the tough Mimico team at the park tomorrow (Thursday) night. The Atoms welcome crowd support at these encounters and those taking up the invitation will see minor soccer played at a surprising pace.

In the Georgetown Community Centre League on Saturday, Sparta and Rangers played to a one all tie reflecting the tight race that is developing in that loop. The Hotspurs and Rangers are tied for first place with Sparta right on their heels. Next Saturday morning the Hotspurs play Sparta.

Here's one for the road

The city kid was visiting a farm for the first time and seeing his first cow. "What are those things on its head?" he asked.

"Those are the horns," replied the farmer. Just then the cow moored melodiously.

"Hey, which horn did he blow?" yelled the boy.

We don't like to blow our own horn — but the used car bargains on our lot, right now, are worth blowing about. Many late models are included. But late or nearly-new, all are in top mechanical condition. Not one is ready for pasture. Be sure to see:
