

THE HEAT'S GOT THE BOSS . . . and the HEAT'S ON the STAFF!

KRAZY DAYS

This crazy days sale is just our mad General Manager's cup of tea! If he'd stay around and work like the rest of us, instead of taking off for the beach, he wouldn't have suffered that sunstroke! However, we should care . . . at the deals he's offering, we should clear the lot by Saturday, and then WE can take it easy, too! That reward sounds crazy, but it's true . . . there's absolutely no strings or gimmicks, so our inside advice is to rush down and SAVE LIKE CRAZY!
