

FAMILY HISTORY BOOKS DISTRIBUTED AT PICNIC

The twelfth reunion of the descendants of James Lyons and Elizabeth Hewson who settled on crown land on Lot 23, 4th line, West Chinguacousy, in 1835 was held at Stanley Park, Erin on July 1. One hundred and thirty three turned out for the celebration.

After toasting her Majesty, Queen Elizabeth, the singing of God Save the Queen, followed by the singing of Grace, the group sat down to tables which were beautifully decorated with flowers and prepared by the lunch committee which comprised Mrs. Starret Leslie, Mrs. Clarence Anderson and Mrs. Hugh Clark.

The president, Roy Lyons of Cheltenham welcomed the guests. He proposed a toast to the clan which was responded to by James McKane of Inglewood. The report of the last reunion in 1956 was read by the secretary Mrs. Francis Thompson and the list of births, marriages and deaths read.

There were fifty births, twenty-two marriages and eleven deaths reported. At this time all bowed heads for one minute silence in memory of those departed.

Gifts were presented to the oldest lady present, Miss Elizabeth Clark of Norval; the oldest gentleman, Thomas H. Lyons who recently celebrated his 89th birthday;

the most recently married couple Mr. and Mrs. Eric Mosley of Toronto; the person coming the farthest, Miss Helen Devereaux of Montreal and the youngest member present went to Steven McCutcheon of Milton. Mrs. Starret Leslie spoke a few words of appreciation to Mrs. Francis Thompson for her work as secretary of the clan and of compiling the new book of the members of the clan which was on sale and presented her with a gift. All acknowledged their gift with a few words of greeting. An interesting program followed which consisted of the following: Instrumental, Dianne McKane; solo Joyce Dolson accompanied by her uncle, Boyd Dolson on his guitar recitation, Mary Dolson entitled Pop & Me; solo, Cameron Dolson; instrumental, Edith McDonald; piano solo Shelley Lyons; humorous reading, Dr. Weir Lyons in which he told of his experience in 1915 in Ireland during the first world war, and of the warm hospitality of his Irish relatives; guitar and vocal solo, Boyd Dolson.

It was decided to hold the next reunion in three years and the following officers were elected.

At the completion of the program Frank Dolson moved a vote of thanks to all who had participated in any way to make the reunion possible.

While the older members sat around in groups in the shade to talk, the younger folk travelled to the ball park where sports were supervised by Mr. Art McKane, Frank Lyons, Harry Barrett and Clark Lyons.

Georgetown & District COMMUNITY SWIMMING POOL TO THE CITIZENS OF GEORGETOWN

There appears to be some misunderstanding concerning the Swimming Pool and so the following points are presented for your information:

- The pool was built with funds raised by donation and public subscription.
- The pool cost somewhat over \$50,000.
- The fund raising was spearheaded by the Lions Club.
- The construction was taken care of by a committee of Lions.
- The pool was donated to the Corporation of Georgetown for technical reasons.
- The Corporation asked the Lions to continue operating the pool.
- It was understood that the pool would be self supporting. There is no municipal tax.
- The only source of revenue for the operation of the pool is from entrance fees.
- All administration is done by volunteers.
- There are two permanent employees - the operator-manager and the chief guard and instructor.
- All other employees are hourly paid - these are instructors, guards, checkers.
- The Lions Club finance all capital expenditures.
- The Lions Club guarantee annual operating losses.
- The accounts are audited by the Corporation of Georgetown.
- The Pool pays the Red Cross for all advertising for water safety.
- The Pool purchases all recommended safety equipment.
- Swimming instruction is the responsibility of the Chief Guard and Instructor.
- No organization contributes financially to the swimming classes.
- All guards and instructors are qualified.
- There are always at least two guards on duty.
- Most of the guards are students and the pool cannot open until the end of the school year.
- The filtration plant under the dressing room cost \$17,000 and must be maintained 12 months per year.
- The water is pumped, filtered and chlorinated continuously and tested daily to maintain Dept. of Health standards.
- A survey shows that except for municipal pools in a few large cities, the admission fee is lower in Georgetown than all other places.
- Swimming instruction costs less than 15c per lesson.
