Chamber of Commerce night will be the next big night at the club that is scheduled for Thursday, August 13th. However, the regular men's day will continue during the up-coming weeks the next slated for tomorrow (Thursday) and again on August 6th.

SILVER-WOOD NEIGHBOURS PRESENTATION FOR BRIDE

More than fifty friends and neighbours gathered at the home of Mr. and Mrs. George Burt on Wednesday evening to do honour to their daughter Shirley and her husband, Harry Chaplin, on their recent marriage. The evening was a beautifully warm one, so card tables were set up under lights on the lawn and a game of progressive euchre was enjoyed. Mr. Ben Case and Mr. John van der Meer were prizewinners for the men, and Mrs. Harry Scott and Mrs. Burt won for the ladies.

The bridal couple were then called forward, and were presented with a chair by Mrs. Donald Lindsay on behalf of those present, and Mrs. W. R. Norton gave them a gift from the members of Silver-Wood W.I. Suitable replies were given by Mr. and Mrs. Chaplin. A social cup of tea ended the pleasant evening.

Mrs. Foster and Mr. Tush Foster of Toronto were recent visitors at the George Burts.

Bronte Train Crash Victim Mother of Two Local Ladies

A Bronte train derailment last Tuesday afternoon brought sadness to two Georgetown homes. Unidentified until Wednesday morning, Mrs. Gordon Moore, R. R. 1 Acton was instantly killed when a loose rail ripped through her coach. She was the mother of Mrs. Clare Collins, R.R. 1 Norton and Mrs. Robert Peardon, 79 Norton Crescent.

Mrs. Moore was one of two women killed when a CNR train was derailed. The seven passenger coaches of the Chicago to Toronto train with 213 passengers aboard shuddered to a stop about 150 feet short of the Twelve Mile Creek gorge which is about 100 feet deep at the railway crossing.

The accident blocked the double track mainline between Toronto and Hamilton, and trains were rerouted through Georgetown for several hours. Tracks were twisted and gravel-ballast plowed-up for nearly half a mile.

Mrs. Moore, who had boarded a train in Acton for London on Saturday, July 18th to visit her sister, was returning on the ill-fated train to Oakville for a visit with her daughter, Mrs. Jack Fields. All identification belonging to her was lost, but the train conductor reported she was travelling on a CNR pass and it was reported she lived in Acton.

Alvin Moore was called to the Morden funeral home in Oakville and identified the body as that of his mother. Her husband is a retired CNR section foreman.

Besides her husband, she leaves one son Alvin of Acton and three daughters, Mrs. Peardon, Mrs. Collins and Mrs. Fields.

The former Lillian Annetta Bolt was born in Belgrave, near Wingham in 1894 and after her marriage lived in Rockwood and Lucknow before moving to Acton where Mr. Moore worked with the CNR, retiring after 40 years' service.

They built an attractive home on No. 7 Highway, one and a half miles west of Acton, after his retirement. Their son's home is next door. Mrs. Moore was fond of flowers and took pride in keeping her garden arranged in a beautiful pattern. She was a member of the Presbyterian Church. An avid bingo fan, she often travelled to nearby towns to play her favourite game.

Funeral service took place on Saturday morning at the Rumley-Shoemaker funeral home, Acton. Interment was in Green Hill Cemetery, Lucknow.

After a two-week mid-summer lay-off thebantam and atom Hearts soccer swings back into action this week, thebantams kicking off the second half of their schedule against South Peel at the park Thursday night at 7 o'clock and the atoms also playing at home Saturday night when they take on Oakville Athletic. Starting time for this one 6:30 p.m.

Upsets meanwhile continue to dominate the little league where last Saturday Sparta dumped the Holspurs 3 - 1 in the first game of the Community Cup play-offs. Sparta have several new players and may be the new "strong team" in the loop deposing Rangers who won the league race by two points.

The Rangers have on the roster at least three kids showing atom calibre soccer and the coaches will probably include one of them in the atom lineup when Oakville comes to town Saturday. The coaching staff, however, have expressed enthusiasm over the soccer talent in general shown by the teams and predict an even more successful season for local junior soccer next year.

The tennis club has invited all tennis players to a "get-together" can and bottle tournament to be held at the court on the Anglican church grounds, Guelph St., on Saturday, Aug. 1st, at 2:00 p.m. In this type of tournament the player calibre is brought to the same level.

Everybody has a chance to win but the main thing is to enjoy tennis now that it is available. The entrance fee is a can, bottle or package of a value not more than 50c.

Given in marriage by her father, the bride wore a floor-length gown of white nylon net over taffeta, fashioned with a fitted bodice, featuring a petal neckline of chantilly lace. Lace panels adorned the bouffant skirt. A tiara of mother-of-pearl sequins and pearls held her shoulder-length veil of tulle illusion, embroidered with fine lace motifs. She carried sweetheart roses and stephanotis.
Mrs. Walter Jefferson of Cooksville was the matron of honour, wearing a gown of coral pink net over taffeta with a lace bodice and overskirt. She wore a white lace picture hat and carried white and pink carnations.
The bride's sister, Brenda Cope-
