Come From Behind Alliance Beat Cottons

Alliance pulled a "Silky Sullivan" on Cottons in Industrial league action at the park last night coming from way behind to nip them 11-9. Cottons at one time in the game looked like shoe-ins with a healthy 7 to 0 lead but the coaters got to starter Pomeroy in time to pull it out.

Pomeroy was lifted for Cassidy in the 5th with Boxford behind, the plate while the Alliance started Cunningham and Leslie but needed help from Telford in the 6th. Breen hit the only home run in the game for Cottons with two on early in the game.

Meanwhile at the Glen the host club was belting Smith and Stone with a 10 to 4 drubbing to continue their march away from the rest of the league. Home runs by Max Stafford in the second with two on, and George Burlington in the 5th with the bases empty boosted the Glen cause.

Kemshead and Stafford went the distance for the winners. Mossop started for S & S, Fisher came on in the 4th and Hurst worked the plate.

The standings included last night's games show the Glen out in front with 16 wins and 9 losses; Smith and Stone has a 12 and 11 record; Norval 12 and 12; Cotton's 10 and 12, and the Alliance trails with 10 wins against 15 defeats.

"But I can't marry you, honey, I'm anemic," apologized the young man.

"That's all right, dear," his girl replied. "You go to your church and I'll go to mine."

One thing we don't have to make any apologies for are the outstanding 'buys' we have in used cars. You'll agree when you see the selection on your lot. If you're in the market be sure to drop around. You won't be disappointed.
