DOES THIS SHOE FIT?
On Admission to a hospital a patient was asked "What Church Do You Belong To?" He replied: "St. John's, Georgetown." "But I've never seen you there," replied the nurse. "No," said the patient. "But that is the Church I don't attend." "We have a great many 'don't attenders' on our roll and we wish they would start attending — or tell us they no longer wish to be on the membership roll. If something in the church or service of worship bothers you, seek to correct it but never give up the Worship of God. For your OWN sake — come.
