

Newlyweds Honoured by Ashgrove District Friends

A very happy time was spent in the Esquing Community Hall on Friday evening, October 23 when the neighbors and friends gathered to honour Frank Wilson and his bride Elizabeth Gibson. Eighteen tables of euchre were played with winners being Mr. and Mrs. J. M. Wickson. Then the newlyweds were called to the front and after a few well-chosen words by Bill Wilson, Gordon Wingfield, James Stark and Elmer Bird presented the couple with a vacuum cleaner and an electric frying pan. Both expressed their thanks for the gifts and after lunch was served, dancing was enjoyed to McEnery's orchestra with Howson Ruddell as caller off.

Mrs. J. M. Wickson, Mrs. Thomas Giffen, Mrs. Cecil Wilson and Mrs. John Bellbuddy attended the Halton Presbyterian WMS Sectional Rally on Thursday, October 22nd in Rock Chapel United Church.

We are all pleased to know that Mrs. Ernie Tindale is home from St. Joseph's Hospital, in Guelph, after her operation and hope to see her out among us again real soon.

The Bright Star Mission Band met on Sunday afternoon at the home of Robert Bridgen. Roll call was answered with "Something I am Thankful For." The Young People held their meeting Sunday evening at the home of George and Evelyn Bird, with Verna Pickett and Bob Ruddell in charge. Rev. John Hill spoke to them.

The autumn thankoffering of the WMS was held on Wednesday afternoon, Oct. 14th at the lovely home of Mrs. Ford Wickson with guests from Campbellville, Glen Williams and Georgetown. President Mrs. John Bellbuddy opened with a short Thanksgiving theme and the hymn "Come Ye Thankful People, Come" and prayer. Mrs. C. J. Buck of the Georgetown Society gave a splendid devotional on "Thanks and All we Owe to God." A solo song so beautifully by Mrs. John H. Hunter of Glen Williams, "The Bird with the Broken Wing."

was much enjoyed after which Mrs. Thomas Giffen introduced the guest speaker, Mrs. Arthur Harris, president of Halton Presbyterian who spoke on the aims and objects of the Missionary Society and stressed how we can all be witnesses for Christ by our doings and prayers. Mrs. George Nurse thanked the speaker and our visitors for their parts in making a pleasant afternoon and a social hour closed the meeting.

The October Women's Institute meeting was held one evening at the lovely apartment of Mrs. J. J. Thompson in Berwick Hall with president Mrs. Francis Thompson presiding and opening in the usual way. Secretary Mrs. Frank Wilson read the minutes of the last meeting and called the roll, which was answered by "An event in Canadian history which makes me glad I am a Canadian." Five dollars is to be sent to the Telegram Milk for Children Fund. Mrs. John McNabb reported on the exhibits from Georgetown Fair. Mrs. Cliff Hunter gave some interesting items from the District Directors meeting held in Milton recently. Mrs. Fred Nurse gave highlights from the area conference held in Guelph last week after which the program convened. Mrs. John Bellbuddy took over and called on Mrs. Percy Leslie for the motto "Home is the basis of national morality." The speaker Mr. Douglas Latimer enlightened the ladies on several matters such as criminal courts, divorce laws, buying and signing without knowing too much about articles' urging everyone to make a will and the ways and wherefores of succession duties. Mrs. T. Brownridge thanked the speaker for his very informative talk and current events were given by Mrs. R. Cunningham and the meeting closed with the Queen. A social hour followed.

The Georgetown club was particularly pleased to have their resolutions passed unanimously and the Club was asked to form the committee for survey and to bring in recommendations to the 1960 conference in Belleville. Their resolution was: "Whereas an objective of our clubs and of our Federation is to extend educational opportunities to business and professional women through industrial scientific and vocational activities" and "Whereas it is not readily apparent that all our clubs are working to promote this objective: "Be it Therefore Resolved That the organization of Business & Professional Women's Clubs of Ontario constitute a committee to survey and report on the work being done in this connection by the individual clubs in Ontario and furthermore, that the committee follow up its findings by presenting to the 1960 conference a memorandum suggesting ways in which clubs can promote this objective."

While in North Bay Miss O'Shea was the guest of Mr. and Mrs. Frank Jamieson, former residents of Georgetown. Mrs. Gwizdala and Mrs. Bradley were dinner guests on Sunday evening prior to motorizing home.

BALLINAFAD QUILT RAISES HOSPITAL FUNDS

On October 13th at a meeting of the Woman's Association of Georgetown and District Memorial Hospital, the winning ticket was drawn on a quilt made and donated by Ballinafad Women's Institute, in aid of the auxiliary fund. The draw was made by Mrs. John Gunn, convener of the ways and means committee. Mrs. Calvin Aitken R R 3, Acron held the lucky ticket. Proceeds amounted to \$112.87.

Local Ladies Attend North Bay Meeting Businesswomen's Club

Three members of the Georgetown Business & Professional Women's Club attended the Provincial Conference in North Bay, Oct. 18 to 19. Mrs. W. Gwizdala was the club's delegate and Miss Norma O'Shea, and Mrs. Aileen Bradley attended as observers. The city of North Bay welcomed all of the 340 who attended with the Mayor and the president of the Chamber of Commerce at the Empire Hotel as a welcoming committee. Members were present also from the national and international boards at the convention with Miss Margaret Hyndman, QC as guest speaker at the Saturday evening banquet. The North Bay club entertained at a reception Friday evening, and entertained board members and presidents of the clubs at a reception and cocktail party Saturday evening prior to the banquet and they also entertained everyone following the banquet.

Miss Naala Dane, president of the Provincial Federation conducted the conference and many very worthwhile resolutions were passed and discussed. It was also resolved to continue working with representatives to the provincial and federal governments regarding the changes in the Municipal Act, Air Pollution, changing the jurors act and other important work.

The Georgetown club was particularly pleased to have their resolutions passed unanimously and the Club was asked to form the committee for survey and to bring in recommendations to the 1960 conference in Belleville. Their resolution was: "Whereas an objective of our clubs and of our Federation is to extend educational opportunities to business and professional women through industrial scientific and vocational activities" and "Whereas it is not readily apparent that all our clubs are working to promote this objective: "Be it Therefore Resolved That the organization of Business & Professional Women's Clubs of Ontario constitute a committee to survey and report on the work being done in this connection by the individual clubs in Ontario and furthermore, that the committee follow up its findings by presenting to the 1960 conference a memorandum suggesting ways in which clubs can promote this objective."

While in North Bay Miss O'Shea was the guest of Mr. and Mrs. Frank Jamieson, former residents of Georgetown. Mrs. Gwizdala and Mrs. Bradley were dinner guests on Sunday evening prior to motorizing home.

Films Presented on Mexico At Horticultural Meeting

Glimpses of the scenery of Mexico and the southern states were enjoyed by members of the Georgetown Horticultural Society at their October meeting last Wednesday evening.

Movie films obtained by Messrs. Howson Ruddell and Ross Norton on their motor trip last year were projected through the courtesy of Mr. Alex MacLaren.

Federation Prince and Princess Competition

A five day, expense trip to Jamaica will go to the winning boy and the winning girl in the Ontario Federation of Agriculture's annual Prince and Princess competition. The contest is especially designed for Ontario's young rural people from 16 to 29 years of age, and is a competition of knowledge, poise and ability to think. Beauty does not enter into the contest at all insofar as the girls are concerned.

The annual contest is designed to create greater interest and understanding in farm organizations, farm problems and

farming methods and ways of living of the U.S. neighbours to the north intermingling with the more primitive Indian culture and where there is public admiration for the toreador and his art.

The scenery of California and the southwest states with their dry arid climate is in marked contrast with that of Mexico. Here the most modern methods make available the water supplies so vitally necessary to settlement.

Mrs. L. DeVries as chairman, thanked the guest speaker and projectionist on behalf of those present and announced that another public meeting would be held on the 18th of November.

Mr. and Mrs. Gougeon Win Mexico Holiday

While old man winter shakes a threatening icy finger at northland inhabitants, Mr. and Mrs. Bob Gougeon, 70 Maple Ave. W. are basking in the tropical grandeur of Mexico's fabulous Acapulco.

Bob, who is a salesman for McClure's Home Furnishings, Main Street won the all expense paid trip in a draw sponsored by the Sealy Mattress Co. The lucky couple joined some 117 retailers and their wives, other winners in the contest, at Malton Airport Saturday for the flight to the sun drenched south. They will be away eight days.

(If you heat with oil)

Because HY-TEST 303 is the purest oil ever delivered; because it is dry-cleaned, because it burns more efficiently, you get the only trouble-free oil heat ever available... no more nozzle clogging sludge, soot, tank sediment or unpleasant odours.

Not only is every drop of water removed during delivery by our unique "on the truck" dehydrators, but also the miracle additive of HY-TEST 303 contains a chemical ingredient which eliminates harmful moisture condensation from your tank.

All Kentner trucks that deliver HY-TEST 303 fuel oil are equipped with the patented dehydrator that wrings every particle of water out of the oil before it reaches your tank.

gives you more heat per gallon—

Saves You up to 20% OF YOUR HEATING COSTS

TOTALLY NEW! Find out for yourself! Discover a new world of heating economy, comfort and cleanliness when you switch to dehydrated premium grade HY-TEST 303 heating oil. We know that you'll be pleased and amazed at the difference—as thousands of others have been from coast to coast. So why wait another day?
