

THE UNIVERSITY OF TORONTO's grid strength this year has a Georgetown flavour. Doug Wyles (70) has already proven himself in Varsity's first string backfield against Queen's, Western and McGill. He is the son of the former 'Hon' Sykes of town, nephew of Mr. and Mrs. Alf Sykes, 3 Young Street, and grandson of Mr. and Mrs. Tom Sykes, 18 Church Street.

BALLINAFAD Social Evening Honours Returning British Couple

The Afternoon Auxiliary of the WMS was held at the home of Mrs. Larkman on Wednesday of last week. The worship was conducted by the president, Miss Hills and the second chapter of the study book on Africa was taken by Mrs. Shortill. Mrs. Himes read several short items on temperance and the meeting closed with a hymn and prayer.

The Young People of this charge met for their regular Sunday evening meeting this week. A film strip entitled "All for Peace" was shown. Mr. Mc-

each with a gift and a real old fashioned sing song was enjoyed by all. Mrs. Stokes was also presented with a gift from the WMS at the home of Miss Kate McKay on Wednesday afternoon.

Magazine Writer Speaks Local Council Ladies

The Local Council of Women held their October meeting at the home of Mrs. F. W. Johnson, Edith Street.

After the usual opening and business, the correspondence was dealt with and a donation of \$5 was voted towards the Poppy Fund.

Greetings were sent by the new president of the National Council of Women, Mrs. I. M. Finlayson, to all local societies.

The guest speaker was Mrs. Laura Chisholm of Weston. She writes "Your Garden" for the Farmers Advocate. The subject she chose to speak on was the Current International Situation. The great need to work toward peace and help toward helping other countries. As a good example Marion Anderson, the great singer made a good will tour of the Asiatic countries. Mrs. Eleanor Roosevelt, a world citizen, travelled extensively. Red China has great manpower - because of no tools, 100,000 people worked and built by hand a dam in six months, ten days ahead of the time allotted for the job.

This is "World Refugee Year" from the economic as well as the humanitarian point of view. Millions of homeless people who are human beings, not just statistics, should be given a chance to become self-supporting, useful citizens.

Georgetown Films Friday Show Visit of Gov.-Gen.

REMEMBRANCE SERVICE
Sunday afternoon, a solemn service of remembrance will be held at cenotaph, to honour men who lost their lives in two World Wars and in Korea. It is a service which every resident should attend, to show that Georgetown remembers their sacrifice.

INCORRECT REPORT OF IODE PRIZEWINNERS
An account of winners in the IODE penny sale last week contained a couple of inaccuracies. Mrs. Harold Hutchinson, 32 Edith St. with ticket 546 was winner of an oil painting. Mrs. Del Laird, 32 Queen St. with ticket 433 was winner of the Westinghouse fry pan.

Films taken by the National Film Board during the visit of Rt. Hon. Vincent Massey to town last spring, will be shown on CBC television this Friday night at 10 p.m.

A letter to Mayor Armstrong gave the information that the Georgetown material turned out very well and "makes a handsome addition to the film". The films comprise five minutes of a one hour telecast and will be used at the beginning and end of an interview with Mr. Massey who since has relinquished the post of governor-general.

It is probable that many local faces will be seen in the broadcast and there should be a high percentage of Georgetown sets tuned in this Friday.
