Payne-Chartier Bridal Knox Presbyterian Church

White mums and matching bows decorated Knox Presbyterian Church on Saturday, October 17th for the marriage of Joan Marion Chartier, daughter of Mr. Paul Chartier of Montreal to James Donald Payne, of Brampton. The bride is the granddaughter of Mrs. A. E. Colman, 18 Edward Street.

Rev. Alex J. Calder officiated at the double ring ceremony and the organist was Mrs. Edgar Golwani. The soloist, Mrs. Ken Egan, sang the Wedding Prayer, prior to the ceremony and "This is our Day" during the signing of the register.

Given in marriage by her father the bride wore a floor-length gown of white chantilly lace with long pointed sleeves and round neckline. Sequins set off a pillbox halo which held a plain three quarter length veil. She carried a white Bible with white streamers and rosebuds.

The maid of honour, Lillian Wolfe, wore a tangerine crystal charm street length dress with round neck line and fitted bodice, short sleeves and cumberbund coming to a bow at the back. Her headpiece was similar to the bride and she carried a bouquet of white mums. The bridesmaids Mrs. Bob Heaton and Mrs. Tom Woolham were

gowned alike in aquamarine. Joan McDonald was the flower girl and wore a tangerine dress similar to the bride's with short puff sleeves and matching bow tie headpiece. She carried a basket of white mums.

John Beeby, a friend of the groom, was the groomsman and the bride's brother, Bob-Chartier and the groom's brother, John Payne were ushers.

For the reception at the Brampton Junction Diner, Mrs. Paul Chartier received for the bride in a black silk sheath dress with matching accessories. Her corsage was of white roses. Receiving for the groom, Mrs. George Payne, wore a blue green dress with beige accessories and a corsage of pink roses.

For travelling on the honeymoon to Florida, the bride wore a light fitted suit with overstuffed jacket of turquoise blue wool and brown accessories. Her corsage was of golden orange roses. The couple will make their home in Brampton where the groom is employed at Gunned Papers.

FARM NEWS

Save Money by Planned Storage of Machinery

by J. A. F.

Halton farmers can save money by planning proper farm machinery storage. With winter coming on, it is important that consideration be given to storage of each piece of farm machinery. In a recent release from the Ontario Agricultural College the fact is stressed that 50 per cent of the life of the disk or harrow and 90 per cent of the usable life of the combine, can be saved when proper winter storage is provided.

Clean and inspect each machine; remove all canvases and V-Belts and store them in a dry, cool place; paint wood sections and smear metal parts with grease or oil to prevent rotting and rusting; keep harmful moisture out of bearings with grease; and block up rubber tired wheels to cut down cracking and rotting.

Used motor oil is not recommended for rust prevention. The reason: It's polluted with acids. It can cause severe corrosion. One of the modern rust inhibitors would be much better.

If there just isn't room for all your machinery inside, try one of these new rust preventatives. It will certainly cut down rust losses on machines that must be left outside. In cases where this has been done no breakdown was seen, even though the machines were covered with ice and snow.

Blind School Visit Is Described to Institute

The Ballinafad Institute was held last week on Wednesday afternoon at the home of Mrs. Archie McEnery with a good attendance. The motto: "Be the best of whatever you are" was presented by Mrs. M. Baker and current events were given by Mrs. L. McLean. Mrs. N. Sinclair, as educational convener was in charge of the program and Mrs. R. Shortill who had attended the teachers' convention in Brantford recently told about the tour they had taken through the school for the blind. She related many interesting and wonderful advantages that are made available to these handicapped people by the Institution and how well they are put to use in their every day living. The Institute members decided to help again with the layettes for the far east and would accept any useful items towards the project. Arrangements were also made for the Christmas party which is usually held between Christmas and New Year's as a church and dance. The social committee for the meeting was Mrs. T. Gibson, Mrs. L. Jamieson and Mrs. C. Reid and they served lunch assisted by the hostesses. Sunday visitors at the home of Mr. Thos. Mack were his brother, Mr. George Mack of Everton and Mr. and Mrs. Fred Mack and family of Guelph.

Mr. and Mrs. L. McLean and family visited in Niagara Falls on Sunday.

A group of CGIT girls accompanied by their leaders, Miss Joyce Kenward and Mrs. Black, and Miss B. Hills, president of the WMS Afternoon Auxiliary, attended a missionary family gathering in Milton on Sunday afternoon. The speaker was Miss Frances Walbridge who is at the present time home on furlough from Angola, Africa.

Mr. and Mrs. T. Gibson visited with relatives in Erin on Sunday and along with several others from this district attended the anniversary services in the United Church there.

Quite a number from this community enjoyed the annual turkey dinner, sponsored by the Melville church congregation held in the Belfountain hall on Friday night.

The members of the CGIT held a very successful Halloween party in the church on Monday night last week. Prizes for costumes, went to Louise Snow and Mrs. Frycker.

Mrs. T. Given, mother of one of the girls, crashed the party and acted as judge and the evening was enjoyed by games and the favourite lunch for the young people, "hot dogs" was served. The evening closed with taps.
