Mrs. Flora Blair, 10 Morris St., spent three weeks recently, visiting her daughter and son-in-law, Mr. and Mrs. Thomas Wilson, Toronto.

Deer Struck By Car Victim Of Civilization

While local hunters comb the north woods for the elusive deer, the antlered animals seem to be creating a traffic problem here.

The second deer to succumb to civilization within a month died early Monday morning when it was struck by a car on Guelph St. at the eastern town limit.

Mrs. Mable Kaminsky of 23 Ontario St. who was driving the car said the deer ran onto the highway from the north side of the road as she approached the top of Norval Hill, she said she applied the brakes but was unable to avoid hitting it.

The car suffered about \$100 damage.

Several Church Groups Hold Weekly Meetings

Mission Band was held on Sunday with 17 members and 4 visitors attending. The theme for the worship was "Others want, before our own." Allan Jamieson conducted the meeting and gave the call to worship Louise Snow and Mrs. J. McEnery took the scripture and prayer, Carolyn McEnery a missionary prayer and Lorraine and Lois Burt took up the offering and gave the dedication.

Mrs. J. McEnery read a short story on peace and Mrs. Laws read the chapter from the topic book "New Magic" about the eagerness of the natives in Kenya to learn to read and to understand the great changes taking place in their country. The children were reminded to bring in their mite boxes before the end of the year.

Several other church groups met during the last week. The W.A. met for their regular meeting on Tuesday evening at the home of Mrs. J. W. Snow when the ladies made plans for their annual Christmas bazaar to be held the first Saturday in December. The Evening Auxiliary were entertained at the home of Mrs. Leo Jamieson for their November meeting on Thursday night and on Sunday evening a group of young people went to a Presbyterian gathering in Burlington in place of their usual meeting.

Mr. and Mrs. M. Norton and family visited in Bowmanville for the week end.

Several ladies from the community attended a meeting in Milton one day last week to hear a group of ladies speak and show pictures of their trip to the Edinburgh Conference recently. They were representatives from the Institutes in Halton County.

350 Donors, Target Of Red Cross Blood Clinic

The Georgetown Red Cross will have a record breaking response to their blood donor clinic December 3 if they hope to replenish the area blood bank at Hamilton to adequacy.

Three hundred and fifty donors is the target set by the local branch and if it met it will overshadow the old mark set two years ago by some 100 donors.

The blood bank hit a new low earlier this year and unless a sufficient supply is put back through the upcoming clinic the area may experience a blood shortage sometime during the fast approaching holiday season when the accident rate reaches its perennial peak.

According to blood donor chairman Don Thompson, the local Red Cross is doing everything in its power to fill the urgent need. Twenty-nine telephone canvassers have been "dialing for donors" all this week and the imperative requirements are being made known to the public through a series of ads and leaflets.

Anyone not contacted can make a pledge by phoning 9041.

Donors will be received at Knox Church Hall December 3rd from 2.00 to 4.30 and 6.00 to 9.00.

Barnett, in charge of the sewing table; Mrs. Ern Simson, baking; Mrs. Tom Warnes, touch and take; Miss Simpson, fishpond; Mrs. W. STOLEN CAR RECOVERED

A 1955 Chev coach stolen from the St. George's Anglican church parking lot Sunday night was recovered seven hours later on the 9th line by police.

Cst. Ron Rankine who discovered the car said the motor was still warm and nothing had been damaged. He hailed a passing motorist to drive the car back to the police station. The car was taken while the owner, Eric Timms of 62 Main St. S. was attending church.

ACCIDENT AT SILVERCREEK

Friday the 13th cast its traditional hex on David Campbell of Toronto and Jack DeForest of RR 1 Guelph according to county OPP.

Campbell and DeForest were northbound on No. 7 highway at about 7.20 Friday night when the DeForest car, a 1951 Olds rammed the back of the 1953 Chev driven by Campbell as it slowed near Silvercreek. Cst. Ray Andress who made the investigation placed the damage at \$300 to the DeForest car and \$75 to the Campbell vehicle. Neither driver was injured.
