JOLTS, JARS AND FALLS

Jolts, jars and falls, strains and other such mishaps account for much misery and time lost. Back injuries from misfortunes such as these account for about ten per cent of all accidents resulting in lost time from work. Each year there are over one hundred and fifty thousand industrial injuries from lifting alone! In and about the home the record is even poorer. It is important to realize that a recurring stiff neck or back ache is frequently the early warning of more serious involvement of the spine, spinal cord or spinal nerves. Many industries have taken advantage of the specialized training of the Doctor of Chiropractic in caring for their employees, and by so doing have made significant reductions in time loss and needless human misery. One multimillion dollar corporation employs five full-time Doctors of Chiropractic. Two of Hollywood's largest movie studios have staff Chiropractors to keep the highly-paid stars, executives and technicians on the job — with resultant saving of thousands of dollars and valuable production time. Many athletic organizations including major league baseball clubs, avail themselves of the benefits of Chiropractic professional services. Doctors of Chiropractic, because of their extensive specialized training are well qualified to correct the harmful effects to the spinal column caused by jolts, jars and falls.

Bantams Beat Hespeler Ex. Hockey Game

In their first exhibition game of the season, Georgetown Bantams came out on the high end of 3-1 decision with Hespeler Saturday night prior to the Georgetown - Hespeler midget league game.
Th Bantams scored twice in the third period to break a 1-1 tie and take the win.
Donny Norton scored for Georgetown to make it 1-0 after the first period. Hespeler tied it in the 2nd and the locals put it on ice in the third with tallies by Terry Lafo and Jack Gudgeon Jr.
Johnny Adams was cut for eight stitches near the end of the game. Adams had carried out a clean check on one of the Hespeler players and was skating away when the player slashed him over the head, from behind.
Jack Gudgeon handled the coaching in the absence of coach Fred Harrison, and another absentee, Bobby Kemshead, is expected back soon.
Hespeler will get their chance to even things up when they play here tonight at 6.30.
