beams five-year-old Cheryl Hampton of Montreal as she takes a huge mouthful of the two tons of Christmas pudding Canadian National Railways has prepared this year for more than 19,000 servings on dining cars across the country. Cheryl dropped into the commissary car kitchen in Montreal one day, donned her own special chef's hat and apron and went right to work mixing, dumping, and stirring nuts, raisins, spices and a host of other ingredients.

Chef Omer Garsault gives her a few pointers on filling some of the 3,200 tins with the pudding. The tins are steamed and sealed and then sent to dining cars to be served piping hot with a hard sauce prepared just before the serving.

LEGION NOTES

by Les Clark

Not having been too regular at our attendance at executive or regular meetings we were not aware that the new open nights had started. So it was quite a start when we walked in last Saturday p.m. and found the Legion Hall jam packed with members and their wives. Everyone seemed to be having a good time, and it looks like it might develop into a fairly successful idea.

Last Tuesday night's party with Jimmy Millman, was a good one but it's unfortunate that more did not turn out. We certainly must congratulate entertainment chairman Jim Murphy for his great efforts in arranging this.

A week tonight sees Gob Collier hosting a party for the kiddies, with old Santa being present to give assorted gifts to all. Gob has worked extremely hard on this and it is expected it will be the biggest one yet. So don't forget, kids, be on hand — the Legion auditorium, Thursday, Dec. 17th.

With New Year's day falling on a Friday this year the annual party will be held on New Year's eve, a Thursday evening and plans are going forward to arrange this looked-for event. An orchestra has been hired, and a big time promises for all.

With the old year almost 'kaput', it will soon be time for our election, and we wonder what it will bring. The Legion has had at least fifteen years of steady growth and expansion, and with the exception of the past year, the membership growth has been steady. It is our thought that, while we are quite aware that we carry a heavy debt load with the real estate we purchased, that in spite of this we have no where near fulfilled our obligations to making this a better community to live in. With the approach of the very near future of a canvass of the town for a hospital, we can see no reason why the Branch should not play a vital role in this. Certainly if the Legion does not do so, it will be to the branch's everlasting shame. And just before someone says that we can't approach the public as other service clubs do, may we say that is entirely correct, and indeed there is no reason why we should, as long as we are operating a lucrative business as we do at present. While we do not suggest that the branch bankrupt itself by any means, it is our thought that we could possibly allocate a sizeable chunk to be raised over three to five years and do it without any hardship at all to the branch or the members. Think it over, comrades. It's a wonderful cause — it's badly needed and YOUR community. YOUR children and

Indeed your children's children will be eternally grateful for having helped establish something as vitally necessary as a hospital in our community. Too long have we pussy-footed around plans for this, while every other organization in town has gone ahead with plans... the service clubs, lodges, clubs, etc. have all made pledges and are busy planning their money raising schemes and still we sit, and sit and sit! If we hope to have the slightest standing in this community or district we think it's time we got off our respective tails, and got cracking!

And to lighter vein: Last week we had a phone call here at the office from whom we can only say was one of the nicest voices these tired old ears have heard in a long time and although she preferred to remain anonymous, she gave us a tip that leads to quite a news story. It seems that there's a new entertainment trio in our town, specialising in Hawaiian dances complete with costumes and make-up. It seems they had a 'dry run' a few weeks ago Saturday night, and their professional debut takes place Friday, December 11th, in the auditorium of the Legion, entertaining a local industry's Xmas party. If interested, anyone can book them, by phoning their manager, Harry Howard, TR 7-4688 or contacting him direct. They perform under the professional name of the Hula-ettes, and are comprised of three dancers, Lince, Walsh and Reid. Their motto: exotic dances performed anywhere anytime, anyhow — Just the act to liven up your Christmas party, folks.

We know this is a stinker of a trick on the treasurer, but we wonder how many members realize that they are entitled to drop in on New Year's day at the Legion for a FREE (repeat, FREE) drink of their particular beverage? This is an ancient tradition of Branch 120, and one that never seems to get a great deal of publicity. Naturally during our term as president, we didn't exactly 'push' the custom, nor has our successor, but just to add a little extra joy to the New Year, we would like to see all our hundred-odd members take advantage of it. Never mind, Mr. Treasurer, it probably won't cost over a hundred books.

ESCAPES UNINJURED WHEN CAR SKIDS

Provincial Bowlers Still Lead League

Provincial Paper's lead over the Silver Seven was reduced to 4 points last week as the league leaders dropped two games to Andersons who climbed into a fourth place tie. The high triple was rolled by J. Long (808 with handicap) and George Barber (832 flat). Reg Ryall carded a flat 322 single which became 348 with handicap.

An 885 by C. Deforest is still high for the season while R. Milot's 382 stands as the top single. League standing: Provincial 62, Silver Seven 58, Silvers 56, Smith and Stone 52, Andersons 52, No. 1 Legion 51, Glen A 46, Glen B 40, Kentners 39, No 2 Legion 32, Ramblers 15, Cottons 4.

BALLINAFAD PLAN EUCHRE & DANCE AS CHRISTMAS ACTIVITY

Mrs. Lloyd Marshall was hostess for the Ballinafad Women's Institute when they held their Christmas meeting last Wednesday. A short business meeting was held when it was decided to donate \$25 towards the Refugee fund for Korea. Mrs. Snow was appointed to solicit funds from the Ballinafad community for the Retarded Children's new school at Milton. Plans were made for the annual Christmas Euchre and Dance to be held on Tuesday, December 29th. All present exchanged a Christmas Gift, Carols and suitable readings and contests were enjoyed before the delicious lunch was served and everyone enjoyed the social hour.

Mrs. Eddie Smith, along with her brother and sister from Belwood attended the funeral of her sister-in-law Mrs. George Davidson in Smiths Falls on Friday. Mr. and Mrs. Russell Smellie of Fergus visited for a week with the Black family.
