

## Progressive Year Is Shown, Grace Baptist

The first night of the annual meetings of Grace Baptist Church in Georgetown was held in the Oddfellows Hall on December 31st. This meeting started with a devotional period which ended with the presentation of progress reports from all departments of the work here. Highlights of the report sessions were nine conversations during the year, and the food and clothing boxes that were packed and sent by the women of the church to places in Canada and overseas mission fields. The Sunday School reported an enrollment of 127 with a year round average attendance of 83. Reports of the pastor, Rev. Bruce Penny and other officers of the church and the Sunday School indicate a very definite growth in the work for 1960. About an hour was spent in Christian Fellowship with various contests and games for all ages, ending with refreshments prepared by the ladies of the Dorcas Missionary Group. The last half hour of the old year, and the first half hour of the New Year was spent in prayer and praise to God for the work here and the blessings of the past year.

The second night of the annual meeting of Grace Baptist Church was held on Thursday night of January 14th. This meeting started with a hot supper for all church members, friends and adherents and ended with the election of officers. A nominating committee chosen beforehand by the church, interviewed suitable ones of our number to fill the various offices and brought in their report. This report was read and accepted by the church. This

APPRECIATES FINE WORK OF HYDRO, PHONE CREWS

30 Charles St.  
January 17th, 1960

Dear Mr. Editor:

May I express through the medium of your paper what I am sure everyone feels — heart-felt appreciation of the endless hours of dangerous and exhausting work the Hydro and Bell Telephone men have been putting in throughout this long siege of ice storms.

Those of us, particularly who have no means of obtaining heat for our houses without power have been more and more aware of how much more we should have suffered had it not been for the heroic efforts of these men. As storm has succeeded storm, they must often have felt like giving up the battle entirely, and it seems to me that the least we can do is to publicly express our thanks.

Yours very truly,  
—V. Molesworth.

### Mrs. Thomas Eason President Of Choir

Mrs. Thomas Eason was re-elected president of St. George's Anglican choir when members held their annual meeting Thursday evening. Mr. and Mrs. Eason were hosts at their home, 19 Byron St.

Commenting on the choir's year, Mrs. Eason said new choir gowns had been provided, partly with proceeds from a rummage sale and partly through a generous offer of the Women's Association which is helping provide supplies.

Conducting the election, Rev. Kenneth Richardson spoke his appreciation to choirmaster J. L. Lashford and organist Mrs. W. F. Bradley, George DeKlerf and Carolyn Bleigh, as well as to the choir for their contribution to the Sunday services.

Japla Chaplin was elected secretary-treasurer; Mrs. William Chaplin, librarian with Charles Crispe and Pamela Turnbull assistants; Mrs. Thomas Parry and Mrs. Jim Turnbull, choir matrons.

The meeting concluded with lunch and a singsong.
