A letter from the Norval school board, complaining about does running loose around the schools was read to Esquesing council. The hoard fear a child may be bitten or mauled. "No one else but the school board can't afford to rent land in seems to complain," commentown." Mr. MacCormack an ted Reeve Sinclair. "Surely, the school hoard could find, out "I don't think we could let whose dogs they are," said

"The Oakville Humane Sowould cut, down on the object ciety is only too anxious to come in, but we couldn't possibly send them all through "Whatever you say goes with the township," said the reeve. days, anyway, racing at the big Leslie, "and what good is farm dog tied up?"

"There is no by-law in the township saying dogs should be tied up," Clerk K. C. Lindsay stated. Deputy-Reeve Wilf Bird asked if a by-law just covering dogs running loose around schools could be prepared.

Clerk Lindsay thought not, but wondered if it would be possible to have a by-law requiring dogs in Norval tled up, then offenders could be charged the same as any other bylaw. The matter will be investigated further.

Clerk K. C. Lindsay advanced a theory for the council to think over. He suggested that all three fire area charges be lumped together, then averaged out, instead of the three treas paying different rates. lle also felt this could be applied to the high school areas. 'At present" he contended. "the high school area rates are Georgetown area, 4.93 mills, Milton area, 4.7 mills, and Acton, 8.25 mills." These are simply, maintenance costs, an-(continued on page 14) -
