Napanee Wallops Raiders 9-1 To Take Second Playoff Game

Napanee Comets threw cold water on Raider spirits and chilled 1,000 local onlookers at Memorial Arena last Wednesday night with a burst of power that KO'd the boners 9 to 1.

Georgetown's only scoring effort came out of a second period scramble, Junior Beaumont getting that one from Doug Richardson and Dave Voyce.

double shift to shoe-up the sagging third line but the extra work obviously took its toll on the sniper's effectiveness on his regular turn.

Napanee Takes Lead In Championship Series

Aiming at repeating the 1957 58 sleight of hand that brought them the OHA Intermediate A championship that season, Napanee Comets took a big step in that direction on Saturday night when they turned back the Raiders 7 to 5 to take a 2-1 lead in their best of seven final.

The 4th game was played at Napanee last night (Wednesday) and the 5th one will be here Friday. A 6th game would be at Napanee Saturday and a 7th game back here Tuesday or Wednesday.

A crowd of 1,045 saw Raiders take a 3 to 1 lead early in the game, but relinquish the lead as the second period wore on. They finished the frame with a 3-1 tie.

Three Napanee takes in 5 minutes and 30 seconds in the third period staggered the Raiders momentarily. They are grouped about mid-way through the season for an effective role that fell just short.

The Raider late surge netted them two goals and chopped the Comet lead to one with a little over five minutes to go and the game back ended there.

Harry Smith varied his pace for an extra forward, such a minute to go but the move resulted in Napanee's 7th goal, a long clearing shot that found the open net.

Junior Beaumont scored twice, at 8:05 from Blake Inglis, and at 16:53 from Doug Richardson and Blake Inglis for the Raiders, after Jack Brady sent the Comets out in front at 2:40 from Johnny Greca and Jack McKeown.

Doug Richardson beat Napanee goalie Norm Parish with a deflection at the 3:11 mark of the second period, Blake Inglis and Beaumont collecting assists here as Georgetown fattened their lead. It was wiped out by the end of the period on goal by Griffin from George Jackson and Tom McAlister at 15:25, and J. White from Tom Goodfellow and McAlister at 17:57.

Les Douglas from Pat Gilmore and Jack Martin was the combination that put the Comets ahead to stay at the two minute mark while the Raiders had a man off serving a roughing call for Barry Smith. Dave Voyce was off when Napanee potted number 5 a minute later, and George Jackson used a fog bank to good advantage when he rifled in the 6th Napanee counter at 7:30, unassisted.

Doug Richardson from Beaumont and Voyce at 9:57 and Bud Verry from Bob Demerise at 14:30 activated the crowd's imagination but the anticipated 5 ring goal never materialized. Jack Martin terminated the suspense and saved some fingers permanently with the backbreaker at 19:38.

Raiders had a big edge in the shots on goal, registering 41 to Napanee's 28. They amassed a 12 to 6 margin in the first 14 to 10 in the second, and 15 to 12 in the third but there were 10 penalties, 11 to Raiders, 4 to Napanee.

The referees were Jack Clancy and Hugh McLean.

YES, WHO DID SCORE? WHO SCORED? Raiders, of course, but who put the puck in the net? Junior Beaumont (in the background), Blake Inglis (No. 14 at the edge of the crease) or Doug Richardson (No. 7 left). It doesn't look like it here but the shot that eluded Napanee goalie Norm Parish and caused that bulge in the twine (extreme right) was fired by Richardson early in the second period. Napanee won the game 7-5 to go ahead in the Intermediate final 2 games to 1.
