Spring is the Time of the MOTH Time to ask questions about your Furs

What Special Care Will My Furs Receive At Barragers?

On arrival your coat or jacket or small fur piece will have a 'Medical' - An expert and thorough inspection for MOTHS and foreign matter. They then undergo a compressed air treatment to remove dust and grit. Now they are ready to hibernate in the cool revi talizing atmosphere of Barrager's Refrigerated Cold Storage Vault. Where every gar ment has ample hanging space. The charge, 2% of a fair valuation of your fur.

Do My Furs Need Cleaning Every Year?

To assure your precious furs of maximum life and lasting beauty (particularly the light haired variety) they should be cleaned at least once a year. Give them the advantage of Barragers 'NATURE GLOW' custom fur cleaning; Sanitized process freshens furs and linings, helps to make them self deodorizing and self antiseptic — and the custom, cleaning they receive at BARRAGER'S will leave them fresher and more justrous!
