

Chamber Will Concentrate Aiding Industrial Promotion

Assistance in industrial promotion is one of the primary aims of the Chamber of Commerce this year. The Chamber, which last year started formation of the Georgetown Industrial Commission to assist in every way to encourage new industry, said Chamber president Harold McClure at a directors' luncheon last week at North Halton Golf Club. ASHGROVE

Blue Skies, Flowers Replace Ice Storms

We are into May, a happy and exciting month. Blue skies and singing birds and flowers coming up help us to forget those ice storms. There's a robin in our orchard. And he tells us it is spring. And our hearts are full of gladness.

When we see him on the wing The Bright Star Mission Band met on Sunday afternoon at home of Margaret and Murray Brownridge and opened with all repeating the band creed. Some items needed for the bazaar were discussed and roll call was answered with songs Signs of Spring. Janet Nurse read the Scripture, Story from Study Book was told, by Mrs. Fred Nurse. A duet was sung by Karen Briden and Doreen Carny. Lois McNeill gave the missionary prayer, offering was taken up by Kenneth McNabb and Douglas Ruffell, and dedicated by Donald McClure. Closing prayer by Murray Brownridge.

John Nurse celebrated his tenth birthday on May 2nd and had some school friends and cousins at his home for games and a birthday lunch. His grandmother Mrs. George Nurse had a birthday Tuesday, April 26th.

Sympathy is extended to Mrs. Cecil Wilson and her family in the death of her sister-in-law, Mrs. James Mill of Weston, who died quite suddenly on Saturday.

Mr. James Tindale has returned home after two weeks working at Bagotville, Quebec, in connection with the Malton plant.

HORNBY

PUPILS ENJOY CONCERT ON EASTER MONDAY

Easter Monday evening the parents and friends of Hornby Sunday School pupils enjoyed themselves at a concert held in the church. There were recitations, songs and a play presented by the children. Mr. Hill then showed a colour film on School Days in Angola. Junior and Senior Work Packages were on display for everyone to see. These were collected by the pupils for Grades 1, 2 and 3 children in Korea. Lunch was served by the ladies in the Sunday School room.

Mrs. Muriel Ross has joined the staff at the Halton Central Manor at Milton.

Mrs. Jack Duggan visited with relatives over last week end at Hensall, Ont.

Spring is officially here. The smelt and sucker fishermen of Hornby have been out trying their luck. All have reported a very fine catch.

The clean up crew is busy these days at Hornby Community park. The branches are being cut and rubbish being burned getting ready for the picnics and reunions in the summer days ahead.

Master Tommy Bradley of Georgetown visited with Mr. and Mrs. Howard Bradley, his grandparents over the Easter week.

Mr. and Mrs. Vince Fyglomont of Hornby visited their daughter last week who lives in New York state.

The 21 members and 3 leaders of the Hornby Cub Pack enjoyed themselves on a nature hike last Saturday. The weather was ideal. Fishing was enjoyed and all the cubs participated in a treasure hunt by using their compasses. One leader lit the fire by rubbing sticks together. Supper was enjoyed and all returned home tired. Birthday greetings to Audrey Murdock this week.
