

## Toronto Bar Mitzvah Ceremony, Stewart Saxe

Saturday was an important day for Mr. and Mrs. Perry Saxe, Main St. South. It was the occasion of the Bar Mitzvah for their son, Stewart. The ceremony, over 5,000 years old, marks the assumption of religious and moral obligations by a young man in his thirteenth year, and it took place at Beth Tzedec Synagogue on Bathurst Street in Toronto.

Stewart was one of two young men who participated on Saturday at the morning Sabbath service. He read a portion of the Old Testament in Hebrew and chanted the blessings in the Hebrew language.

Rev. Charles Pinkerton, who spoke for the group, said Sunday school enrollment had grown from 25 to 80 and felt that a two-month recess would have a diminishing effect on the attendance when Sunday School resumed in September.

St. Paul's have already purchased land on Mount Pleasant and will be beginning construction of their church this summer, he said. The other members of the delegation were Messrs. Emer Carter and George Tracey.

Haltom's representative at Queen's Park, Stanley Hall will do the ribbon cutting when George Kennedy Public School is officially opened. Thursday, May 15th, Rev. Lloyd Wilson of the Baptist Church will represent the Georgetown Ministerial Association and board chair.

Ed Wilson will conduct the ceremony. The evening will be a combination official open house and open house.

An invitation from the Toronto Urban and Rural Trustees Association to attend the annual trustee assembly at Bigwin Inn on Lake of Bays will be accepted this year, by the board.

Reservations at the two-day conference are being held for two delegates. Accounts totalling \$4571.50 were paid.

These recently... The one-room school in which she taught from 1925 to 1950 was built in 1832 and has been incorporated in the new building, she said.

A former pupil of hers, Jack Wilson, presented the photograph of Miss Campbell's at the principal, John Graham, to be hung in the school. Presentations were made by Mrs. William Tyne on behalf of the Home & School Association Mrs. R. F. Weeks, 17-George St., a former pupil of Miss Campbell's at the school, accompanied her.

More than 250 attended.

**BEST IN THE PLAYOFFS**

PLAYOFF HONOURS in cribbage earned Provincial Finest this trophy which Bob Hedley is presenting to Norman McDonald at the Darby and Cribbage party recently. From the left, Don Harrington, Jim Ford, Mr. Hedley, Mr. McDonald, Tom Wylie, Alva Grube, Harold Jagles. Other team members included Ormie Carter, Doug Harrington, Tom Herbert, Lew Tracey. ## Engage 6 New Teachers For Local Public Schools

Six more teachers will join the Georgetown Public School teaching staff in September. Engaged when the public school board met last Wednesday night at Harrison school were Robert Harrington, Betty Avery, Sandra Scott, Sandra Byvester, Virginia Walker and Mrs. Mary Pelaseak.

Resignations tendered by Janet Dikney and Mrs. Teresa Parber were accepted with regret.

St. Paul's Baptist which has been meeting in Geo. Kennedy Public School was granted use of the building during the summer holidays following a request from a three man delegation representing the church.

## FAMILY PARTY MARKS 54th WEDDING DATE

Mr. and Mrs. Allen W. Norton of Lunenburg celebrated their 54th wedding anniversary on May 2nd at their home in the company of twenty-four members of their family.

Included in the group were their five children, Ruth of Lunenburg, Stanley of Acton, Harvey of Lunenburg, Joyce of Hamilton, and Lorne of Toronto.

Mr. and Mrs. Norton have eight grandchildren and three great-grandchildren. Mrs. Norton and son Billie and William Mitchell also celebrated the occasion with the honored couple.

The family presented their mother with a wrist watch, potted plants and an ornate cushion and their father with many appropriate gifts. They supplied a buffet lunch.

## 2nd Georgetown Scouts & Cubs LAMPS for CAMP

**SATURDAY, MAY 14th**

This year, a new idea. Starting this Saturday, the scouts will be taking for May 14th delivery. The SCHOOLHOUSE package, with FOUR 60 WATT BULBS and TWO 100 WATT bulbs for \$1.50. Orders are also being taken for a wide variety of bulbs including nightlights and flash bulbs. Select the order you wish and it will be delivered on May 14th.

**PROCEEDS FOR SUMMER CAMP FUND**

If you are missed, but would like to purchase Light Bulbs, call TR. 7-4859 — TR. 7-2694 or TR. 7-4210

## FIELD CROP PROJECTS FOR HALTON COUNTY

The Halton Soil and Crop Improvement Association in cooperation with farmers in Halton County, are conducting several crop projects. Many of these are being carried out during the spring seeding in project work the Association cooperates with the Field Crops branch of the Ont. Dept. of Agriculture, and the Field Husbandry and Soils Dept. of the Ont. Agricultural College. The programme is under the general supervision of Agricultural Representative J. Allen Francis, of the Extension Branch, Ontario, Dept. of Agriculture.

This year's programme stresses fertility trials, variety demonstrations, chemical weed control, and management practices. Reports indicate that several farmers in Halton will be using 2,4-DB in chemical weed control this year. Because of this, the Halton Soil & Crop Improvement Association is including two demonstrations using this method of weed control. 2,4-DB is used for weed spraying of fields that are seeded with legumes and grasses.

It should be stressed that 2,4-DB is actually a different product than 2,4-D. In 2,4-DB, the 'D' stands for Butyric acid, as differing from Acetic acid in 2,4-D.

The Butyric form doesn't kill plants. The acetic acid as in 2,4-D kills or injures those plants susceptible to 2,4,4, including Alfalfa.

Certain plants, including a long list of weeds very similar to the list of weeds controlled by 2,4-D within their own system convert the Butyric in 2,4-DB, in Acetic, and so are controlled in the same way as if 2,4-D had been used. Certain other plants, Alfalfa and Birds-foot Trefoil among them, cannot convert Butyric to Acetic, and so are not killed.

It is important, however, that spraying of Alfalfa be carried out at the proper stage of growth. This is when the Alfalfa is in the first trifoliate leaf. As a result weed problems in Alfalfa can be handled with 2,4-DB with practically no crop damage. Rates of 2,4-DB can be from 16 to 24 ounces of acid per acre, compared to a maximum of 2 ounces 2,4-D which can be used on Alfalfa and then only if the weed problem is extreme.

As with any selective weed killer however, there are some weeds that cannot be readily controlled by this method.

If using 2,4-DB, be sure to step up the gallonage, spraying at rates of from 20 to 30 gallons per acre.

With 2,4-DB, it is possible to obtain better establishment of Alfalfa and Clovers by reducing the weed competition, without the usual crop setback associated with 2,4-D sprays.

The weed spraying demonstrations will be used by the Halton Soil and Crop Improvement Association during 1960 in their Twilight Meetings and Crop Tours.

## Maple Grove Group Honours Former School Principal

A picture of Miss Luena Campbell is part of the new fifteen-room Maple Grove School near Oakville.

Miss Campbell, a former principal there, who has been teaching at Chapel St. Public School for the past ten years, gave a talk on Maple Grove School's history when she was guest speaker at the Home and School Association meeting.

## Seventh Man Joins County Provincials

The North Halton OPP detachment stationed in the Children's Aid building in Milton is having growing pains, and things got a little worse last week when a seventh constable joined the force. He is Allan Miles, 22, of Scarborough, and is just beginning his policing career. Const Miles was formerly with the air force crash rescue crew.

He joins five constables and a Corporal in the minute-sized two room office in the Children's Aid Society building, Brown Street, Milton. Headquarters is currently searching for a suitable place has not yet been located.

The force is expected to increase again when Hwy. 401 opens west of Milton. The detachment polices the whole of the North Halton area.

## THE MAIL BAG

**Thinks Go-Karts are Fine for Recreation**

31 Byron Street, May 7th, 1960

Dear Sir,

I have read in the press where some municipalities have banned go-karts as noisy, dangerous and undesirable.

Having regard to the noise they make at a relatively short distance they make very little noise which might be likened to that of a hive of angry bees.

They are built so low the danger element is greatly lessened and they are certainly not as dangerous as stock cars where at races not only participants, but also onlookers are killed or injured.

As for their unsafety, I would say that if they are not operated on highways on public thoroughfares, are confined to tracks designed for them in rural areas and confined to weekend operations, they can be an innocuous form of recreation in which old and young may participate.

Yours truly,  
— Ed A. Peters

## SIX TEAMS IN LOOP

The Industrial Fastball League was expanded to a six team loop last week when Smith and Stone and another team, as yet unnamed, joined Alliance, Norval, Glen Williams and Kinsmen in the league.

## TRAINING TYCOON - - - By Alan Maver

**HIRSCH JACOBS,**  
HAVING BECOME THE FIRST HORSE TRAINER TO RECORD 3,000 WINNERS EARLIER THIS SPRING, IS BUSY WORKING HIS WAY TOWARD 4,000 AT THE BIG A - FOR THE BENEFIT OF THE NON-WAGERS, THAT'S A QUEDUGT.

THE 55-YEAR OLD NEW YORKER SADDLED HIS FIRST WINNER IN DECEMBER, 1926 - HE'S BEEN NATIONAL TRAINER CHAMP ELEVEN TIMES.

STYMIE, THE HORSE HIRSCH CLAIMED FOR ONLY \$1,500 - HE WON \$918,485 TO RANK 5TH AMONG ALL-BORNE MONEY WINNERS.
