Maypole Decorations At St. Nicholas Sale

Maypole decorations were used effectively to decorate the parish hall of St. George's Anglican Church on Saturday, when St. Nicholas Ladies Guild held a bake and sewing sale. The tea tables were decorated in pink and blue with bouquets of carnations adding a spring touch.

Mrs. Oliver Mills convoked the bake tables with Mrs. L. Harlett, Mrs. William Kirk, Mrs. Earl Livingston and Mrs. James Murray on her committee. Sewing was convoked by Mrs. Horace Lambie, aided by Mrs. Colin Dowd and Mrs. F. Rogers.

Mrs. Gordon Moward and Mrs. K. Butler jointly convoked the tea and Mrs. David Osborne was cashier. Assisting them were Mrs. D. McNeil and Mrs. E. J. Simmons. Mrs. Charles Coulter and Miss Elizabeth McNeil dispensed the soft drinks. Mrs. Harvey Dewhurst and Mrs. Roy Reid assisted in decorating the hall.

Businesswomen Active In Community Projects

Fifteen members of Georgetown Business and Professional Women's Club attended the Annual meeting for Region No. 4 in Stouffville on Monday, May 9th, with Markham, Unionville and Stouffville being the host clubs. Other clubs in the region are Newmarket, Brampton and Georgetown.

The guests enjoyed a delicious turkey banquet catered to by the ladies of the Canadian Legion — the meeting was held in the Veteran's Hall. Mildred O'Neill, president of the Stouffville club gave the address of welcome followed by chairman's remarks by Irene Abbott, regional adviser of the district from Brampton. Roll call showed that all clubs in the district were represented by voting delegates and several observers each.

The president of each club gave a report on the activities of her club for the past year. Miss Naria Dane, president of the Provincial club then discussed the reports, first giving praise for the good work done, particularly for the scholar ships and burials that each club is giving in increasing numbers each year. She particularly praised the Georgetown club for the work they are doing on the survey they were assigned at the provincial conference in North Bay last fall. She then criticized the clubs for the things in their reports that she felt were not the prime objectives of the club. Georgetown's head fell in the basket along with the other four clubs in this portion of her discussion. It was agreed however that the work was being done by all the clubs in the Region and that it had been a most successful year in many ways.

One of the most interesting parts of the program and certainly the most productive as far as ideas were concerned was a panel discussion chaired by Lila Trout, a Brampton member who serves on the Brampton Council. Panel members were Elsie Gregory McGill of Toronto, an aeronautical engineer and an author and past president of the Provincial Federation and Miss Joan Wilson, vice president and a member of the Guelph Club. Their topic was "Developing Our Potential Power" and they used the headings: Finance, Programmatic, Leadership and Participation. This discussion was an interesting and questions were so many that the
