

CONSTRUCTION IS SCHEDULED to start immediately on the new Brookville Public School following the completion of the \$261,000 contract by the Ernest Hollman Construction Co. of Toronto. The new school will be a two-story building with a total area of 12,000 sq. ft. and will accommodate 120 pupils. A view from the site.

Seek Parent Support For Teenage Activities

Parents of teenagers are being asked to support their children's activities. The writer, Michael Willingham, President of Club Midtown, writes that many parents are unaware of the various clubs and organizations their children are involved in. He lists several organizations including the Girl Scouts, Boy Scouts, and various church groups. He emphasizes the importance of parental support and involvement in their children's lives, particularly in the context of the current social and economic challenges.

WHY COUNCIL DID

Town Votes \$100 for Overseas Band Trip
 The Overseas Band Trip was approved by the Town Council on May 19th. The trip is scheduled for next year and will involve a group of musicians traveling to various international locations. The town council has allocated \$100 to support the trip, which is seen as a valuable cultural and educational experience for the participants.

Portrait of a POOR MAN

He has just paid for another load of fuel for his old-fashioned, wasteful furnace and he is feeling broke. What to do? With a new scientifically designed, economical SMART'S Furnace he could save money by saving fuel, pay for his new furnace and enjoy himself. Be wise, see your SMART'S dealer now and get full particulars.

One Dollar Per Person Will Do It

Take a dollar bill from your pocketbook, go ahead, take one out, look at it. What can you buy with it right now? A pair of trousers. A pair of socks. Fifty or so cigarettes. With the dollar you hold in your hand you could buy any one of the items mentioned, but how would you like a real buy for that same dollar? A real bargain like a brand new hospital to serve you and your family. Right now one dollar from every person living in Georgetown and district would enable your Hospital Association executive to do four things:
 1. Secure the authority from the Ontario Hospital Commission to begin construction.
 2. Sign the construction contract.
 3. Begin actual construction.
 4. Open the doors of your new Georgetown and District Hospital on or about June 1st, 1961.
 So you see, that single dollar bill you hold in your hand right now, has the power to perform great things, and I am sure you must agree you'll never ever make a Better Deal for a Dollar!
 Won't you send it to your Hospital Fund today, and be instrumental in providing for you, yours and your community a Hospital in '61.
