### Sub-Teen Favorite

La man, hood

by Tracy Adrian

As all mothers of sub-teens know, their young daughters are a very particular group as far as clothes are concerned. No one is picking a dress that has met with the approval of the parts of the county.

### Handsome Accessories

J & J Slator

New styles in shoes and dresses demand a matching handbag. Right in the group are those alligator pumps that come in black, brown or blue. They are made with a high heel and a soft sole. A matching bag for these shoes is a must. It should be a flap closing and a strap that comes in a disc.

### Warden, M.P.P. Officiate At Tree Planting Ceremony

In a drizzling rain, and with the members of county council met this week to witness the planting of the first tree of a 40,000 tree planting project on the late John Coulson farm, on the 7th line, just north of Hornby.

The 62 acre farm was left to Halton County by Mr. Coulson for a reforestation programme. Warden Doug Sargent, and Slap Hall, M.P.P., helped Mrs. M. Preston plant the first tree. Mrs. Preston is the 82 year old sister of Mr. Coulson.

The Dept. of Lands and Forests, who will donate the trees, will manage the farm, with Halton County paying the costs.

Later at a luncheon at Mid-ton Inn, Mr. Hall paid tribute to Mr. Coulson's generosity and tonight in giving this great gift to the people of Halton. "He had a vision," commented the member of parliament.

It is fitting also that Fred Wigglesworth, his lifetime neighbor should be here," he continued, probably the oldest citizen on the 7th line.

An oasis of trees for future generations was the description offered by Mr. J. Steele, supervisor for Huron district of the Dept. of Lands and Forests.

The remaining 8 acres and the house were bought by Mr. Snow, who has completely redeveloped it.

Mr. Cam Sinclair, chairman of the Agricultural and Reformation Committee of county council, planned the event, and later thanked everyone for turning out on such a wet and dismal day.

### Rev. Yung Min Lee Of Korea Speaks To Public School Students

Boys and girls of grades 7 and 8 in four Georgetown Public Schools are more appreciative today that they live in Canada.

In a talk to pupils from Park Chapel St., Wigglesworth and Harrison Public Schools, Monday, Rev. Yung Min Lee of Korea impressed upon his young audience how fortunate they are to live here and on that it is his own war-torn country.

Rev. Lee who spoke at St. John's United Church, Sunday, showed a number of coloured slides on Korea to the pupils assembled in Wigglesworth Auditorium. He was introduced by Rev. Morgan McFarlane and thanked by Francis Linton of Harrison.

Rev. Lee is taking his Masters Degree in Theology and is in Canada on a scholarship.

Plans were discussed and finalized for the trip to the United States in June. To the visit in Guilford for a friendship meeting, Memorial and Church Service, and for attendance at the President's reception in the Canadian Room in the Royal York in June.

Mrs. Ernest Simon's group was in charge of the delicious luncheon served downstairs at the conclusion of the meeting.

### Membership Meeting for Rebekah Lodge

Tuesday evening was a special evening for members of Verdun Rebekah Lodge when they held a membership meeting. Mrs. Gordon King was the convener for this evening. The object was a drive to have all members who had, for various reasons, not been able to attend regularly, attend the meeting. There was a splendid attendance and it must have been most gratifying to the committee to have their work so rewarded.

Part of the evening was set aside for a beautiful ceremony wherein all present again took their obligation. Mrs. Gordon Kingfield was the soloist and Mrs. Fred Johnson the pianist and their beautiful music emphasized the solemnity and beauty of the ceremony. Mrs. Kingfield was presented with a gift from the officers in appreciation of her work as soloist since she has been a member of the lodge since the family's moving to North Bay.
