Like everywhere else we are getting far too much rain and no seeding or gardening can be done, but we still are more fortunate than those places where flooding has driven people from their homes and I can promise you that it will be hot and dry in July.

Trafalgar Man Manages Track Team For 1960 Olympics

Trafalgar council will grant two weeks leave of absence this Fall to one of its staff members . . . and for a very special reason.

He's the manager of the Canadian Olympic Track Team. Neil Farrell, a member of Trafalgar township's assessment department, has been connected with the Canadian Track team since he left school in Guelph. , .

His last managerial track task was handling the affairs of the Canadian team which competed in the British Empire Games held in Wales in

Although reluctant to predict Canada's hopes this year, he did state that we should be
