

M.P. Speaks to Rotarians Explains National Defence

Last Monday evening Georgetown Rotary Club held their weekly meeting at North Halton Golf & Country Club.

After dinner routine business was attended to, and two guests were welcomed to the club, Al Landry and Sandy Best.

The coming contest with Acton was discussed, and also the auction sale that will be held in June. Members were urged to get articles in as soon as possible.

The crippled children committee announced that the Lions have invited Georgetown and district crippled children to be their guests at the upcoming rodeo, June 11th, and urged members available to try to be on hand to assist at the Royal Bank corner where seating is being arranged.

Salable articles — perhaps useless to their owners but just the thing someone may be looking for, that's what Rotarians are attempting to track

ASK CALGARY MAYOR TO LOCAL STAMPEDE

Take a quick guess! Who would be the ideal luminaries to officially open the Lions sponsored Rodeo June 11th?

James Arness? Guy Madison? Or Casey Tibbs, maybe? If he accepts an invitation from Mayor Ernie (Rex) Hyde extended in a letter this week, the man for the job will better the trio suggested above — none other than the Worshipful Mayor Hayes of the Stampede City, Calgary, Alberta.

Here is the letter.
May 31st, 1960

Prospects Good For Soccer This Summer

Georgetown's little league soccer coaches are now working hard to get their teams ready for the summer season. The coaches are optimistic about the prospects for the summer season.

A shining example of the soccer brand of soccer is the display in the park was Saturday night when Rangers took advantage of their few opportunities to blank the Mimico Rangers.

The Rangers opposition was originally scheduled at Brampton YMCA but that club is still on the stage of building their team and were unable to field a full squad.

A Community Centre experiment has the Brampton Heart players handling the official in a recent little league game. Michael Pickup referee Saturday's contest and Miss Shirley Kirkwood a trade for Saturday between the Wolves and the Rangers.

It was a miscellaneous shower and many lovely gifts were presented to the Mimico coach. Contests and game bouquets in Mimico last Thursday night, but the game was postponed because of the soggy condition of the field.

Grade Eleven Courses Explained To Parents

At the Grade Ten Parents' night at the High School last week, Principal J. L. Lambert explained to the parents the various courses offered in Grade Eleven. He cleared up many confusing points by showing what subjects are mandatory for university, iverson, or any technical college, or nursing.

He also recommended the subject's most advantageous to enter into a commercial career. While this was the main reason for the event, entertainment was also provided. A choral group under the direction of Mr. C. Wilson, made up of both Grade nine and ten, opened the programme. Then followed a display of tumbling by parts of Grade ten. Not to be outdone the boys then showed their ability on the horse and the parallel bars.

Girls participating in the tumbling were Andreanne Milligan, Diane Hutchison, Kathy Wilson, Carol Varley, Susan King, Diane Tomack, Gail Swartz, Debbie Brown, Liz Boff, Sharon Swales, Sharon Swales, Sylvia Ellis, Pat Barr, Sharon Skok, Jane Lewis, Pam Currie, Betty Gouckebush, Carolyn Norton, and Anne Bouman.
