### Midtown Street Dance Will Raise Funds For Hospital

Club Midtown will be making their second attempt at raising proceeds for the Hospital fund when they stage a street dance at the Delrex Market Centre this Saturday night, and good weather prevailing, they'll probably be highly successful.

Rain foiled the Club's first try in August of last year, but despite the downpour which came an hour after the dance opened, the organization cleared \$180.

The potential response prompted the Midtowners to plan Saturday's sequel.

Adults as well as teenagers are invited to take in the goings on and the club executive have promised that the music program for the big night will cater to all musical tastes and will be heavily laced with slower tunes for the over 21 set.

The Midtowners and the Midtown record library will combine to provide the dance accompaniment, and prizes will be awarded to the dance winners.

The gaily starts at 8:30 and continues until 11:45.

Mrs. Leslie enjoys fairly good health and is looking forward to a happy birthday celebration on Sunday.

Besides her daughter Robina, Mrs. Leslie, she has another daughter Mrs. William Anderson, 7 Charles St. and a son Gordon who lives near Vernon, B.C.

### Report Bale Allocation Met by Church Ladies

The members of the afternoon Auxiliary of the W.M.S. of St. John United Church met in the church parlor for their June meeting, Mabel Forgrave led in the devotional period reading the Scripture from 1st John the 4th chapter and stated that "Brotherhood is part and parcel of the life of our church. We are all one because we are all objects of His love, Christ is the one hope of unity."

Mrs. Thos. Gillett was a welcome guest and gave a splendid talk on Christian Citizenship. Mrs. H. Curtis read an account of the "Crisis in Africa" which has been prominent in the news and asked that we make it a matter of earnest prayer that settlement will be made of these great problems.

Jimmy Seabright delighted the meeting with singing a favorite hymn "Loving for Jesus", accompanied by Mrs. Wright.

The supply secretary reported that the bale allocation had been filled and sent to head quarters and a total of sixteen visits had been made to sick and shut-ins during the past month.

## Show Boat Cast Is Feted At Rotary Club Party

The last two weeks have been busy one for the Rotary Club of Georgetown, with two meetings and a party for members of the Minstrel Show, a Rotary project that is produced each year.

Monday, June 6th, the club devoted most of the business part of the meeting to the forthcoming party in honour of the "Show Boat" cast. Also up for discussion were other projects, the auction sale, on June 18th, and the annual car draw.

Present were a number of visitors from other clubs, including an old Georgetown resident, Jack Brill, who brought a greeting from his club in Willowdale. Jack also told something of the club's newest project, a \$100 dinner and dance, to be held shortly.

Two members of the group sponsoring minor leagues, gave a very illuminating talk on their project. Walter "Red" Aebelin explained the project, and asked for considerable help in helping them financially. This was agreed to by the club, who promised to discuss it in the near future.

Friday night the golf club was again the scene of a Rotary Club gathering, with the cast of the Minstrel show being entertained. There was almost one hundred per cent of the club and cast present, and an enjoyable evening was spent in dancing and a buffet lunch was served afterwards.

Last Monday, the club met again for dinner with quite a number of guests present.

Mr. C. Harris, of Weston, was speaker of the evening and he spoke on "Conservation" a very interesting and informative address. Dr. Ormond Brewster introduced a guest, from Glasgow, Scotland, an exchange student who has been studying in Long Island.

Bill Carr gave out tickets to members for the annual car draw, stressing that this year there were two cars to be given away, with one given to the holder of the winning ticket as well as the winner. It is hoped to increase sales of the car tickets considerably. This is the one lucky draw of the club in the year, and members were urged by Mr. Carr to get behind it.

Discussion took place on the auction sale to take place on Saturday afternoon at the arena and members volunteered to go out and pick up furniture that had been donated for the sale. Bill Hamilton and other members of the committee reported a good amount of furniture collected, and Mr. Hamilton who has been using part of his building for storage, remarked that it was the finest collection he had ever seen, containing as it did a large percentage of new items that had been donated by merchants.

The meeting adjourned to allow members to help get the articles ready for the sale.

**AMERICAN ANTHEM, ENGLISH TUNE**  
The music of the American national anthem, The Star Spangled Banner, was not a native product. The words were written during the War of 1812, but the Book of Knowledge points out that the music is that of an old English drinking-song composed by John Stafford Smith.
