Describes Birds, Calls In Talk To Church Group

Eighteen members and a visitor attended the June meeting of the 1st Baptist Church.

This summer promises to be an interesting and exciting one for us Midtowners. There'll be a hayride, or two, a day at Wasaga, and I've heard rumors of a swimming party, with a weiner roast afterwards.

I have heard many new songs these past two weeks. Of these I pick the following three to be hits: "Feel So Fine" by Johnny "Running Bear" Preston; "Big Boy Pete" by the Olympics; and "Walking to New Orleans" by Antonio Domino.

One year ago today, Johnny Horton's "Battle of New Orleans" was number one on the charts. Two years ago it was Elvis' "Hard Headed Woman."

Our Trip To Niagara

by members of the Grade Eight Class of Park Public School

We left Park School at 7:00 a.m. Tuesday morning in cars. The drivers who took us were Mr. Percy Saxe, Mrs. Percy Leslie, Mr. Agar Guest, Mr. Kenneth Harrison, Mrs. Harry Joynton and Mr. Harold Catling.

On the way we passed over the Burlington skyway and shortly after we came to the border at Queenston. After we crossed it our first stop was Old Fort Niagara. Our guide Jerry Reimer, took us through all the buildings and explained each one to us.

Our third stop was the Sir Adam Beck No. 2 Generating Station. Here we had another picnic who took us down an elevator about 245 feet through solid rock.

When we left here we went to our fourth and last stop, Niagara Falls. Here we had one and a half hours of free time to take pictures and browse around.
