Meant No Reflection On Town Assessor

5 Keats Ave July 19th, 1960
Dear Mr. Editor:
As a P.S. to the report you will undoubtedly show in your paper this week of my remarks at council, I would appreciate this being added:
That at any time during my questioning of the assessment of corner properties in Georgetown, did I intend any inference of unjust action on the part of Mr. Joe Gibbons, our town assessor, my points being directed solely at the principle, and not the person. In my dealings with Joe in the past I have always found him to be most ready to explain any difficulty and where possible try to make you feel better.
Thank you
Ted Francis.

MEMORIALS

GILMER — In loving memory of Fred Gilmer, who died on July 22nd, 1957. We often sit and think of him when we are alone. For memory is the only friend that grief can call its own. Like ivy on the withered vine, whose other things will still be green. Our love for him will still be green. And never fade away. Lovingly remembered by Harold, Audrey, Ronald, and Al and by sister Ethel in Beauford.

MCENERY — In loving memory of a beloved husband, father and son, Arnold McEnery, who passed away July 23, 1960. In tears we saw him sinking. We watched him fade away. Our hearts were sorely broken. He fought so hard to stay. But when the angels called him home sooner than we'd planned. We loved the better grief. And tried to understand. But the silent thought. Keeps his memory ever dear. Lovingly remembered by his wife Kay, son and daughter, in-law, David and Mary, mother and dad.

MOORE — In memory of my mother, Mrs. Gordon Moore, who died July 21st, 1960. Years of serving, little of play. Leaving, giving the whole of the day. A cherished smile a heart of gold. To the dearest mother a world could hold. Happy memories, fond and true, from us who thought the world of you.

Sadly missed by the children, Eileen and Clare, Colin, Helen and Bob, Pearson, Muriel and Jack Fields, Alvin and Isabel Moore and families.
