**Local Council O.K.'s Installation Warning Sirens For Civil Defence**

Installation of two warning sirens as part of Halton's civil defence program was okayed by council last week.  
The sirens are planned to be placed on two schools, Wrentham and Kennedy, with the school board to be consulted as to exact location.  
"Georgetown is considered to be outside the lethal area of nearby cities, but close enough to warrant an alert system," explained Reeve, Doug Sargent.  
Installation costs will be paid by the city.  
Harry Farrar, who with his wife operates Terra Vista Inn, was granted permission to erect two more sirens in town, pointing south to the Wrentham, Terra Vista and Belleville roads.
