FRANKLY SPEAKING . . .

HERE IT IS in the middle of August with the CNE starting walking contests which make me tired to even think about . . . with the temperature too cool for swimming and too nice for working . . . but maybe we'd better take time out and tell you about a few of our nice properties . . . FOR INSTANCE, we have one interesting situation that you've all maybe been through — the wife has folks in Toronto, the husband has a good job in Milton so naturally they'd like to go to Toronto. They live in a delightful 3-bedroom brick house which the wife — who is very artistic, has fixed up very attractively and they really want to sell. We'll be glad to put our fishing gear away and show it to you and work out a deal with finances that will SUIT YOU!

THEN THERE'S THAT delightful couple in Erin who spent a lot of time fixing up their nice bungalow and were planning to retire in Erin until all their things didn't work — it never lived in one spot for years and then after somewhere else it takes time to make friends and it means a lot of travelling back to old friends so they're selling at less than cost — total price \$2,500 — Garage, patio, lawns, flowers, gardens and a lovely bungalow. Why not wake us up from our after lunch snooze and force us back to work!

WELL, I GUESS that's about all I'll write about — there are lots of properties for sale but if you don't wake up and phone me I'll be compelled to GO BACK TO WORK AND CALL YOU!

HOPE YOU PHONE ME before all the walking competitions end at the CNE.
