Glen, Smith & Stone Contest Fastball Final

The numbers of contenders for the Georgetown and District Industrial Fastball League championship was slumped to just two teams this week when Glen Smith and Stone and Glen Williams completed their final rounds of their best of five contest series.

The Glen pitched off All-Star Sunday still undefeated while Smith and Stone registered their third consecutive victory over Norval by 10-0.

They will start their best four out of seven playdown on Wednesday, September 7th in the Glen park.

It was a dropped ball that resulted in the final Glen win with game 77 and in its last series, Glen Smith and Stone attempted to steal from third with the winning run the All-Star catcher, Cal King, had the ball in his glove and was waiting for Steward when the ball was pitched.

It was a run counted when the Glen had their bases full.

There was one base hit in the game. An All-Star pitcher, Bill Bingham, threw and Tedford hit the All-Star pitcher while John Smith picked up the win.

Smith and Stone had little difficulty in defeating Norval in a 10-0 win. A two hit performance by Steward, however, was managed by Norval.

Steward, a 41-year-old pitcher, had previously defeated Norval in the series 7-2 and 10-3. The Glen won their 5-1 and 7-1 games in the 3rd and 4th game Sept. 1st and 2nd.

Scotty Patterson Wins Golf Championship

John "Scotty" Patterson is the champion of North Halton Golf and Country Club B flight golfers.

Scotty culminated his drive to the title on the weekend when he defeated his fifth and final opponent, Duke Wilson, at that club to wind up its 2 and 1. He had previously eliminated Dr. Ken McCauley, Stan Wade, Elmer Hurt and Frank Wallace.

Duke Wilson earned his bid in the finals by ousting Bill Latimer, in the semi's. Golfers who made the quarter finals included Len Ward, Phil Zambra, Del Wallace and Stan B. Bight was the first Bight to win up its championship but some of the other Bights are approaching a final and should be completed shortly.

Gets Two Years On Slashing Count

Two years less a day, definite, and two years indefinite, was the sentence imposed on a Calton district man who was tried at county court in Milton Monday for slashing Helen Van Kink, of RR 4, Georgetown, with a knife while she was parking with two friends near the 10th Ave. bridge.

His companion, from the same area, was also brought to court but charges against him were dismissed. The convicted man will serve his sentence at the Ontario Reformatory at Guelph.

Cigarettes Stolen as I. G. A. Broken Into

Cigarettes - \$500 worth - made up the loot carried away from the IGA Foodliner in a break-in there on the week end.

According to a police report, Cpl. Dan Whitson was checking the store at about 5:20 p.m. on Friday morning when he discovered the break in. Entry was gained by breaking a lock on a door at the rear of the building.

Baha'is Believe
Justice is the Key to the Age!

A sense of justice is a door out of the prison of one's own ideas. By its aid a person learns to see with his own eyes and not those of his church, his parents, or his neighbours.

Not only individuals but also races must find this door; Labour and Capital must find it; above all our nations must find it because it is the only way to world peace.

It is, indeed, the only way to one's inner peace as well. In thousands of lives today the message of Baha'ullah has opened the sense of justice that is latent in all of us.

If you would enjoy an invitation to an evening discussion, or would like more information, please let us hear from you!
