ing by laws, which proposed area was rescinded. This leaves the requirements at one square

foot in area, as it was origin-

Coun lan Cars pointed out . that the Planning Board felt one square foot was ample, since signs so controlled, are only identification signs, such as doctors chiropractors, etc. The regulation does not affect temporary signs such as "For

This rescinding motion was passed unanimously, and peace-

Not so unanimously nor majority of Council in the last Mrs. Maurice C. Hillock en few months have been inter-

anyone fronting directly of town property.

"Our interpretation was not in accordance with the Planning Board who drew it up." stated Coun Cass.

"The Planning Board have interpreted the clause to mean specific signs," Mayor Hyda claimed. "They suggest this paragraph be rewritten to their interpretation I feel they are wrong The way Council has acted in the past months in right." he contended.

"The Planning Board is very unhappy at the arbitrary action of Council." claimed Mr. Cass. "and have requested permission to go over this paragraph. If we are not satisfied after the Planning Board has dealt with it, that is the time to discuss it," he concluded

Councillor F. Harrison launched into one of his pet subjects. "I was under the impression Council, an elected body, responsible to the people. set up these hoards to help us, not govern us. Mr. Cass tried to interrupt but the mayor rapped for order. "Council showed what it wanted, but it did not meet the approval of the Planning Board," Mr. Harrison con-

back, and start from scratch After all the Planning Board is more qualified than council

"I disagree," retorted the mayor. "Council is directly responsible to the people."

"I too, am opposed to the
