Birthday Party Held For John Larkman

Congratulations to Mr. John Larkman who celebrated a birthday this week (in Saturday) and Mrs. Larkman held open house for their family and friends. Many of their neighbors dropped in during the afternoon and evening and friends who came from a district besides their immediate family were Mr. and Mrs. Joseph Robertson and son, Rockcroft in the Peterborough district, Mr. and Mrs. Bert Whiblay and Mrs. Jay Draper and son, Toronto, and Mr. and Mrs. Charles Kraver, of Brampton. The happy gathering included all their family grandchildren and great grandchildren. A large birthday cake made in the shape of a barn with chocolate icing and with a roof of white icing, with a silo the same, all enclosed by a white fence with little animals standing around it. During the evening, movie films of other family parties were shown, including their golden wedding celebration five years ago. Both Mr. and Mrs. Larkman are enjoying good health and we wish them many more years of happiness.

June Given was hostess to the Giff group at a corn roast on Friday night. The girls enjoyed building a fire beside the pond and cooking a boiler full of corn, toasting marshmallows and the usual sing song. Their first meeting for the purpose of reorganizing for another year, will be Sept. 19th, at 7:30 in the church. A special invitation is extended to all girls in the community between the ages of 11 and 17, to come and join this group, which meets every second Monday.

The Young People's Group entertained the members of the Wesley United Church group from Galt on Sunday evening at a hamburger barbecue at the Manor. Mr. Beaton was personally associated with this group, and so they are joyfully participating in the same missionary project, that of support-

Miss Jane Given, Mrs. J. W. Snow and Mr. and Mrs. T. Gough attended the wedding of their niece, Miss Phyllis Bradley, in Hornby on Saturday.

Mrs. Aspin of Toronto is visiting for a week with Mr. and Mrs. A. Hines.

It was back to school last week for all the children in the district and the let-day brought many problems for some, and slight confusion for others. The Peacock school had a registration of 44 pupils and the four senior grades from the Blue Mountain are divided between Snowsawm and Peacock, according to their home and bus route. The two high school buses also leave at the corner at the same time, 8 o'clock, and our young lady along the town line got on the train bus to get to Acton the first morning. However, with the cooperation of all concerned, we hope that all the differences will soon be ironed out. Three of our young people left this week for further education. Miss Beth McInerney, who had been teaching at Niagara town for the past two years will be attending the Lakeshore Teachers' College, Miss Shirley Spicer goes to Canada Business College in Toronto and Miss Helena Hill, a take-a-raising course at the Central N.E.S. Assistant Centre on Davenport Road.

Miss A. Willote is visiting this week with her daughter, Helen in Niagara Falls.

Meet the Peanut Man At Delrex Plaza

The planters' Peanut man is coming to Georgetown on Friday afternoon to help Delrex Market Centre merchants celebrate their First Anniversary. General Mr. Peanuts will hand out one or more bags of choice peanuts to each person who visits the centre on Friday afternoon, or evening.

The big Peanut Float, manned by six men will arrive in Georgetown about noon and remain until 9 o'clock in the evening. Immediately after they've had luncheon, crew members will commence dishing out the free peanuts. Just as Mr. Peanut is leaving the Centre, the big free square dance will commence, to music provided by a popular, country-style band. Everyone is invited to attend but be sure to bring your dancing "slippers" and cowboy regalia if you have it.
