The September meeting of the Women's Federation of St. Andrew's United Church was held in the church on Wednesday, Sept. 14. The president, Mrs. J. Paris opened the meeting and after hymn No. 504 Mrs. Trevor Moore led in a short devotional service.

A new nominating committee was formed since there was a number of officers in the Federation reported on the program being made on Wednesday for the future to be held in the church on Sunday, September 26th. A committee was formed to look after the various tables. Mrs. Paris also mentioned the arrangements to be held on Sunday, September 26th.

Esquering School Board and Ratepayers Solve Problems

Esquering school board met with three delegations during their meeting in Norval school last Tuesday evening and attempted to solve problems presented by each group.

First delegation were three ratepayers representing Union Church area who asked the board to transport school children direct to Norval school rather than have them dropped off at the townline in Norval. This request was granted.

Second delegation was from Terra Cotta when three ratepayers complained that children were departing from home too early in the morning and arriving home late at night. They asked the board's consideration in remedying this situation.

After a discussion the board agreed to investigate the problem and attempt a solution. Eight ratepayers requested bus pickup for school children living on the third line rather than have them walk a distance of two miles for the service.

Following a lengthy discussion, the board agreed to have the bus proceed to the third line and Dublin suffered in order for children to board the bus.

However, the four school bus drivers, mostly fellows on the bus, the information has been postponed until next week. The high school is also being discussed by the board and will be dealt with in the next meeting.

It was also mentioned that the board will be held on Sunday, September 26th.

The meeting was adjourned with the Magnificat, and the Rev. Mr. R. R. Lamb, who presided, announced that the next meeting was on Mrs. G. E. Jones and will be held on Wednesday, Sept. 20. Mr. G. H. Stephens served as secretary.
