REV. LLOYD WEAN and REV. GORDON PATCH

**Toronto Minister Guest Speaker
At First Baptist Anniversary**

The week of Evangelistic services at First Baptist Church was climaxed on Sunday with the observance of the 113th anniversary services. Rev. Gordon Patch of Woodbine Heights Baptist Church, Toronto, was the preacher for the day. The great challenge Mr. Patch put forth to his congregations both morning and evening warmed and vitalized the heart of all who had the privilege to hear him.

At the morning service he stressed how criminal it was we wait too long before we find the worthwhile things of life, the abundant life. All God asks of us is to give up the things we are most ashamed of and the things we are most proud and put our hand in His and ask Him to guide us. In his evening message he spoke

on the Good Samaritan. Too often we have turned away from those people from our church whom Christ came to save, just by our setting the example of a Christian too high through our self-righteous attitude. The glory of the Gospel is that Christ will meet us on any ground and He will take us into the presence of His Father, by His grace.

Special music was provided by the choir under the direction of Mr. D. Peck. "Great and Marvelous" was the anthem sung at the morning service and the guest soloist Mrs. N. Hutchinson of Cheltenham sang "O Jerusalem". In the evening Miss Sandra Sproule of St. John's United Church choir sang "Let not Your Heart be Troubled" and the choir sang "Make a Joyful Noise".

"But I can't spend my telephone money!"

This is a true story.

One of our telephone people recently passed a neighbourhood lunch counter where some children were about to order a second round of milk shakes and soft drinks. One little boy, called Jimmy, found he only had one dime left. He announced firmly:

"I can't spend my telephone money!"

Obviously, Jimmy's parents had convinced him that he'd never have to worry — nor would they — about being late or getting lost if he always kept a dime for a phone call; there's always a telephone nearby!

So Jimmy's telephone dime buys his mother peace of mind... it seems like such a good idea that children know how to reach home by phone.
