### Contact "Almost-Christians" Advice of WMS Rally Speaker

Lovely fall weather was enjoyed by those who attended the W.M.S. Rally and Workshop of the northern parts of Halton Presbyterial on Wednesday, the 28th of September in Eowville United Church.

Mrs. W. Brownridge assisted by Mrs. A. Harris presided at the opening session. Mrs. Brownridge used hymn 402 and a call to worship to open the session and a cordial welcome was extended to all by Mrs. G. Coulson, president of the local auxiliary.

Mrs. O. M. Rutherford gave a most inspiring and uplifting devotion based on Acts, chapter 26, verse 12 where King Agrippa, after listening to Paul's defense said "Almost thou persuadest me to become a Christian." "What are we doing about those in our churches today who are almost Christians?" asked Mrs. Rutherford.

Many are not far off and we are here that Christ may be in us and work through us. Let us be ready to witness for Him. We cannot bear fruit if He is not in us and it should be our very earnest prayer that we can influence and win those who know His saving grace.

A film "Beyond the Bell" was shown giving most interesting glimpses of how the Church is serving throughout the world by mission boats, student ministers in the prairies in new subdivisions, mission schools and hospitals etc. and what great work has been accomplished throughout Canada.

### problems should be greatly decreased

The election of officers was held and the following are the officers for 1966-67: President, Art Snarr (acclamation); 1st vice president, Fred Hammonds (in charge of Juvenile Division); 2nd vice president, Bud James (in charge of Midget Division); Treasurer, Jim Brookie; Secretary, Stat. Bill Burrell; Executive members: Ernie Marks, Joe O'Kraika. The next meeting will be held Sunday, October 16th at 2 p.m. at Mr. and Mrs. Bert Dancocks, 323 Martin Street, Milton. At this meeting all teams wanting to enter TCMH, must be present with their \$12.50 entry fee. They must also state their team colours and home time, so we can start drawing up our schedule.

### Treats for Children At Little Helpers Tea

Fred Hammonds and a young flower decorated table for tea party held when the annual party for the Little Helpers of the church was held on Thursday afternoon. Taking part in the short program was the Rev. Kenneth Richardson and officers of the W.A.

Guest speaker for the afternoon was Mrs. A. Van der Meer, secretary for the Little Helpers who spoke of the great value of the children's religious training of the children after which tea was served by the W.A. members and the children were treated to candy and coffee and chocolate milk. Mrs. Robert Letts conducted the tea.

The last meeting of the 1966 season was held at the home of Mrs. Bert Dancocks in Milton on September 25th. There were 18 interested people present, representing Weston, Milton, Oakville, Brampton, Georgetown, Hespeler and Acton. In future all bills must be in the hands of the treasurer 30 days after the Juvenile tournament. All TCMH team representatives to the OMHA meeting of Nov. 5th are to support to the best of their ability nomination to the OMHA executive, Mr. Fred Hammonds from Oakville, and also the nomination from Gananoque in view of the great enlargement of TCMH (it started with 4 juvenile teams) in future each town represented in the league will be allowed 1 vote on the Executive Committee. Team members shall be termed delegates with no voting power. In view of the great interest shown in the Weston league being formed for Nov. 5th, for West and Hamilton, and the lack of time in most areas, the extension of TCMH to include Hamilton was voted down. His preference is to have a separate league. If any have any suggestions for next year, let us get and don't forget to bring them on the same night of the meeting, scheduling and transportation.

Tom Matson has lived his life the way he likes, sailing his Great Lakes steamer through the maze of rivers, lakes and canals from the Lakehead to the St. Lawrence. After retirement next year, he's going to go on sailing in his own trim craft... a happy plan made possible by banking his savings regularly.

"I'm first... after all, this used to be OUR clothesline!"

Clotheslines make dandy skipping ropes. And that's about all that can be said in favour of clotheslines in this modern world of electricity.

What a "Cinderella" change has come over our woman's world with today's weather-proof automatic electric dryers. Never a care about the weather on washday... no more heavy laundry basket to lift... no more tedious, back-breaking "hanging-out."

Your surroundings change, too, when you own an automatic electric dryer... no more dripping, dripping basement washings... more space in the yard for outdoor living.

Isn't it time you made some little "skipper" a present of your clothesline?
