Economy GARAGE

Protect Your Car... Increase Your Home Value
And Provide Storage for Garden Furniture & Tools

A garage is a useful, attractive addition to your home that adds permanent value to your property. Besides protecting your car investment, it answers the ever present storage problem of the lawn mower, children's toys, garden furniture and tools.

If this coming winter is like last winter, when digging out and starting was a regular chore, your car will need the cover of a snug garage.

Beaver Lumber Now offers the Economy Garage for sale and a lease plan for your convenience. The Economy Garage is built on a concrete foundation and has a heavy roof to protect your car from snow and ice. The garage is built to last and is guaranteed for 10 years.
