EMERGENCY MEASURES CONFERENCE. One hundred municipal officials attended the conference on civil emergency planning for Ontario mayors, reeves and wardens at the Canadian Civil Defence College at Arnprior this week. The four day session was sponsored by the Federal and Provincial Emergency Measures Organizations. A banquet followed and later on display was a point of interest for delegates. From left to right: Mayor J. E. Coy, Arnprior; Mayor W. Anderson, Oakville; and Coun. J. Elliott of Georgetown.

Elliott Represents Council At Arnprior Defence Conference

Local Councillor John Elliott represented the council at the Arnprior Defence Conference. Elliott, from the Federal EMO, opened the conference. He stated that the conference was the first of its kind since the war, and that it was a very important one. He also stated that the conference was a success, and that it was a very good opportunity for the council to learn more about emergency planning. Elliott also mentioned that the council had a very good time, and that they were very pleased with the results of the conference.

Muscular Dystrophy Seek Funds to Fight

November 20 will mark the opening day of the 1960 March for Muscular Dystrophy, a week-long campaign for funds to help medical science defeat childhood's saddest disease. The campaign will start at 8:00 a.m. at the St. John's Church, Stewarttown, and will continue until 11:00 p.m. at the St. John's Church, Stewarttown. The campaign will be held in support of the Muscular Dystrophy Association of Canada, which is a voluntary organization that works to help people with muscular dystrophy. The association has been very successful in its efforts to help people with this disease, and it needs more funds to continue its work. The 1960 March for Muscular Dystrophy is a very important event, and it is hoped that many people will participate in it.

October Increase Most Significant

Indications that this area is prospering are continuing to pour in. Most impressive one to date is that employment in October increased 50 per cent over the same month last year. The normal, seasonal drop at the end of the summer saw 130 fewer registered for work than at the corresponding time last year. On Nov. 3rd, 1,250 were registered for work (100 more than at the end of September) compared to 1,389 on Nov. 5, 1959. The Brampton office serves Chinguacousy, Caledon, all of Dufferin County, part of Essex County, and Georgetown. Biggest factor in recent employment is the arrival of new industries in Brampton. "There has been outstanding cooperation from each one," said Mr. Fraser. "We have been asked to find personnel for executive level positions as well as the more routine." He has found that wherever possible district people are being hired. The opening of Maxco has also had some effect and virtually all the office staff for American Motors is district personnel. Set January Date for Little Theatre Play

The play, "The Day After Tomorrow," will be produced by the Little Theatre of Georgetown. The play is a comedy and is based on the life of a young man who goes to a boarding school. The play is being produced by the Little Theatre of Georgetown, which is a very successful organization. The play is being produced in January, and it is hoped that many people will attend it. The play is a very good example of the work of the Little Theatre of Georgetown, and it is hoped that it will be a success.

Plans Completed for County Music Festivals

Plans for the 1961 Halton Music Festivals were made during the annual autumn meetings of the Halton Music Festivals Association. The meetings were held at the North Halton Hotel, and they were very successful. The association has a very good record, and it is hoped that the 1961 festivals will be a success. The festivals will be held in January, and they will be a very good opportunity for the community to enjoy music. The association is very pleased with the results of the meetings, and it is hoped that the 1961 festivals will be a success.

What's dehydrated heating oil?

Water condensate and impurities accumulate in all stored oil. Pumped into your tank in this condition, without treatment, the water and impurities in the oil will cause tank corrosion and system fouling.

To eliminate the risk of messy and costly tank leakage, and to aid in the dependable performance of your heating system, every one of our trucks is equipped with the exclusive HY-TEST 303 DEHYDRATOR & FILTER.

Every delivery of HY-TEST 303 passes through this dehydrator and filter on its way to your tank, assuring you of the purest, most water-free oil ever delivered. A special ingredient in HY-TEST 303's premium additive emulsifies any subsequent condensation in your tank causing it to pass harmlessly through your burner and become evaporated. Result: Smooth, trouble-free performance and infinitely longer tank life. Lots of peace of mind for you.

Only DEALER CO. can give you this free extra "on delivery" service! Why not start taking advantage of it today? Call -

1909 Operator Dialed First "No Letter" Call

Perhaps the first person to use a telephone in Chinguacousy Township was also the first one to call on the new dial system. Mrs. Herbert Taylor, Cliftonham, picked up the slender princess style telephone and as Bell manager Lloyd Denby looked on, dialed the first call using no letters for the exchange. Daughter of the late Frederick Haines, Mrs. Taylor was Chinguacousy's first telephone operator, at the switchboard installed above her father's general store in 1909. Working with her was Nellie Frame, the Mrs. Christie Campbell.
