

Barrie Goalie Too Good Raider Sharpshooters

But Localites Were Best Team On Ice

The reason is Gary Sherman. That was the conclusion of Georgetown Raider probe in Barrie Friday night which sought out the secret of Barrie's success this year in the OHA Intermediate A Central Ontario Hockey League.

The Barrie defender was almost unbreakable as Raiders outkicked and outplayed the league leaders on their home ice only to take their third loss in their last four starts, 6 to 1 Barrie have yet to take a defeat.

Georgetown, tested Sherman steadily in every period but only Junior Brampton managed to outguess him. Fraser Dunn assisted on the goal at 6:22 of the second period after Barrie had opened a 3-0 cushion.

Barrie led 2-0 at the end of the first period, 3-1 after two and punched in three more in the third period. Two of them in the final two minutes.

McCromb paced the Barrie with three goals. He scored his first one at 1:25 of the first period from MacDonald and less than a minute later Forbes put his club two up from Garner.

The only second period Barrie marker was scored by Smith from Kiest. McCromb from Q. Bride and MacDonald, at 6:22, of the third and McCromb from MacDonald and Forbes at the half. 18-18 mark rounded out the half.

The last goal went by Chuck Edwards, the marksmen from Pringle and Garner. Dave Voyce was off for both of the last two Barrie goals.

Two ten minute misconduct penalties to Raiders' Bob Dem are were among ten penalties imposed on the locals to Barrie's five.

SHORT SHOTS—Barrie radio station CKBB carried the game.

The failure of a couple of clubs to submit their games has given league status to the localites. Problems in securing the official standings and league scoring, however, Georgetown has four wins, four losses and a tie after nine starts not including last night's game here with Barrie.

Barrie is first place Bradford is second. Melton Merchants trail the seven team loop with just one win.

When Hamilton's Junior A Red Wings move in on the 30th, there may be a familiar face in goal. A former Georgetown, Charlie Jewell has taken over the Hamilton team. Tickets for that one are now on sale.

Viennas Sweep Dart Series With Brampton

The O'Keefe Viennas, a local ladies dart team, won both of their three exhibition series here last Thursday.

With the Hearts of O'Keefe of Brampton providing the opposition, the local team swept the beam series and went on to cap the doubles competition as well. The games were played at the home of Mrs. Roy Rudiger, 15 Barnston.

Mrs. Rudiger, Mrs. Vern Gunby, Mrs. Alan McMaster, Mrs. Jan Emmet and Mrs. Jean Lockhart and Mrs. Len Gray took part in the Viennas, who were divided, Cass, Gunby, Emmerson, Lockhart, and McMaster, Rudiger, for the doubles. The O'Keefe representative Ted O'Brien was present.

The team members are attemping to form a ladies' dart club here and would appreciate interested parties notifying Mrs. Rudiger at TR. 74805.

Industrial Bowling

December 22nd is Turkey Roll night for Industrial Bowlers, and the league executive have urged team captains to get as many of their bowlers in as possible.

Staff workers who can make it during the afternoon should do so to allow extra men on others teams who cannot make it during the evening. Any time after 1 p.m. on the 22nd suits the management.

There will be 28 prizes, two per team, and four up for grabs. The executive are trying to have all the bowlers out to try so that the winners will have earned their prizes.

Plans Proceeding For Bantam Hockey Series

EASTER WEEK BRINGS VISITORS TO TOWN

Georgetown's planned Bantam hockey tournament during Easter week has met a wonderful response since organization started a month ago.

Major details have already been taken care of, according to Walter (Red) Aseltine who leads the committee in charge and offers of help have been coming in steadily since the tournament was first announced.

One of the biggest chores will be feeding the visiting players, and the Legion has volunteered use of the auditorium and the Legion ladies will have the help of at least six other ladies' groups in feeding an estimated 250 boys per meal during the week.

Also a large factor is being the Legion has volunteered use of the auditorium and the Legion ladies will have the help of at least six other ladies' groups in feeding an estimated 250 boys per meal during the week.

Short on Players Raiders Bow to Oaks

Georgetown Raider adults must be wondering just how powerful their chosen club is or can be.

Since the beginning of the season Raiders fans have watched their club wade through the opposition at 75% strength while coach Elmer Lee juggled lines to plug holes left by absences. But a Raider team at full strength is something their backers have to look forward to.

The Raiders tried it again last Wednesday night with Hunter, Keadah, James Cunningham, Fraser Dunn and Blake Inglis out of the line up and learned that Oakville's team lay down for a coupled team. They scored twice in the third period to hand the locals their second loss on home ice.

The game marked the return of Big Dave Voyce to the Georgetown defense. The blond hunter is difficult with his timing but the ones he did get a piece of regretted his presence, which will be a boon to an already strong blueline crew.

Now available for work there are Voyce, Jerry Inglis, Don Hunter, Don Dendall, Joe Auger, George Grady, Dave Irons, Johnny Ford, and Wally Magdy who has yet to skate.

Coach Lee gave Jack "Rabbit" Rhodes a rest and replaced

The Support ladies are also planning a souvenir booth in the arena lobby. Action Division of the St. John Ambulance Society has promised their services during the week.

Numerous ideas are in the wind to put Georgetown on the map during the tournament. Merchants will be asked to cooperate with special window displays. Street banners and directional signs will be installed at various locations in town.

The committee is angling for a big time NHL star to referee the final game.

There will be some 11 games a day starting at 8:30 a.m. and ending at about 10 p.m. each day during the tournament.

Invitations have gone out to some 100 communities, including a few in Quebec and Manitoba and the local affair should be on a par with similar tournaments for other age groups which are yearly events in Goderich and Brampton.

Christmas tree lights should be turned off when the family is away from home.

SPORTSMEN OUTDOORS

By Fred Darby

Dear Santa:

Have you ever come home from a day's fishing, or maybe a whole weekend and walked up to your front door, thinking to yourself, how nice it is to be home. You open the front door and your wife speaks that heart warming word — "Well, You try to think of all the good things you thought of on the way home but your mind goes blank. And in this moment of weakness you speak the truth!

The fish weren't biting, it was too cold, it rained all weekend, and I fell in the lake, when I tried to start the motor, and I slept in my bed and had to get up and get back into the boat and I found I had left my reel at home, and the season doesn't open until next weekend, and Charlie and I found out about a spot to go next week, where the trout are as big as horses.

Then comes those comforting words from your wife, "You must be nuts! All you ever catch is a cold!" But your can't answer these warm words, you're so sad, you're so mad. So you see, Santa, I look forward to coming home from fishing trips, and I've been a good boy all year. So could you, or would you leave in my stocking on Christmas Eve an 8 foot casting rod, or Charlie will go without me.

Yours Truly,

A FISHING NUT

The above mentioned names, events, and quotes are fictitious — but I have been called a nut.

A fishing trip like the one described above, may be a little exaggerated, but I think it would be better than coming home with a few of the fish. Billie Bolton caught on a recent trip to the Gulf of Mexico. Most wives would throw us out if we came home with fish such as red or black groupers, jewfish, squirrelfish, blowfish, grunts, triggerfish, or a snakefish — I wonder what became of the tuna, bonafish or barracuda?

To the wives of fly fishing men: Do you want an inexpensive gift for your fly fishing husband's stocking at Christmas? It's a pair of nail clips. These, in George Hoar's words, "A fly fisherman shouldn't be without." As they are just the thing to snip your fly off the leader with and are a lot safer than a knife, they are also very handy when you use your spinning rod.

From Bob Platts a hint on gun care. A workable rifle or shotgun cleaner when you've forgotten yours, is a rifle's case fastened to some fish line. Just drop it down the barrel and pull through the patch tied to its end. Keep it in the hole beneath the built plate so you can't lose it.

Here's a smile for you

The tramp was sleeping behind the golf clubhouse when he was suddenly awakened by a sharp knock. He got up, a secretary demanding what he was doing there.

"Who are you?" asked the tramp.

"I'm club secretary," said the official.

"Well," said the tramp, "someone should tell you that's certainly no way to get new members."

You needn't be caught sleeping when it comes to the club. A dry cleaner who really cares about your clothes will take pride in the work we do and in keeping regular customers who entrust their garments to us. Try us the next time — and we'll be glad to oblige.
