Two Unopened Street Allowances

Closing of two unopened road allowances in town was ordered by council Monday when a by-law was approved. The legislation covers a portion of Keats Ave., and Ann St., the latter a short street which has never been used, northwest of George St.

Action had been, delayed because of questions by two Shelley St. residents, A. Millar; and A. R. Webster, whose side yards adjoin the roadway. Both, expressed concern that plans of for building garages at the rear of their properties would be complicated if the roadway were closed.

Property chairman William " Hunter said his committeehad examined the problem and recommended that a 51 foot! strip on each side of the roadway be deeded to the men for Post Office Staff token payments of one dollar each. This will leave a lot in Has Dinner Dance on Shelly St.

A subsequent motion by Cr Fred Harrison to offer the lot for sale was withdrawn when Reeve Sargent said he believes it is necessary for the county to endorse the road closing by a by-law also.

Concern has been expressed by some residents because logs have not been placed in the community swimming pool this winter, Mayor Hyde said, and
