

CURLING CHATTER

FROM THE COUNTRY CLUB

Greetings and salutations! The purpose of this column is to acquaint the members of the Club and also the people of Georgetown and district with the happenings at the North Halton Golf and Curling Club. Not all the happenings can be reported by one reporter — so any little human interest items should be passed along to your inquiring reporter.

Credit should be given to those responsible for the picking of the gorgeous Christmas tree erected in the club room. It sure is a beauty. And it also helps the membership get in the Christmas spirit.

Don Wingrove and the Bank of Otagawa is to be commended for the supply of booklets distributed a couple of weeks ago. When the green covered books were put out the pile seemed to melt. They were picked up fast. They cover the Constitution, and By-laws of the Ontario Curling Association, Rules of the Game and very important — Instruction to Beginners. Every curler would be curlier should obtain a copy of this book and read it. It has material for the beginner and also the experienced skip as well.

The first men's draw is nearing its end — just this week and then the finals. At the end of this column is the standing as of December 17th. There are 32 rinks in this draw and the teams have been playing since Monday, November 14th and ends December 23rd. Two games a week for six weeks.

Gleaned from the little green book: "While the main object of matches (and games) between clubs and rinks is to determine their relative skill in the game, it should ever be borne in mind that the ultimate object of Curling is to develop a manly recreation and to promote goodwill, kindly feeling and honourable conduct among those who take part in it, and this sentiment should influence both the interpretation and the application of all rules."

And on that sobering note may all curlers have a wonderful Yuletide and may all ends be eight ends and no boggy hog their shots for if they are not over the hog line, how can they count?

CLUB MIDTOWN

By Steve

Well as you most likely know, contrary to last week's column, we are having the orchestra of Harvey Smith to play at the Christmas Party on December 23rd. Also contrary to last week's column, last Friday was the 16th.

Dress semi-formal please as no one (male) will be admitted without a white shirt and tie.

As you by now know, Mike Willingham has resigned as president of this organization. As to the writing of this column no one has been chosen, to fill his office yet, but Betsy is acting leader. Mike will probably remain on as an honorary committee member and will still give some of his many ideas and talents of the club.

My pick for the week it "Wabash blues" by the Viscounts. Other up and coming hits to be "Yeah Baby" by Dante and the Evergreens, "Count the Tears" by the Drif, "Hotches" by Kooches, "Kooches" by Hank Ballard and the Midnighters.

SPECIAL ANNOUNCEMENT

Club Midtown wishes to extend a greeting to all ex-Midtowners, ex-committee members, ex-teenagers in general, all adults we're welcome to come to this dance, music supplied by Harvey Smith's Orchestra, see our banner in this Herald.

As of now I don't think there'll be a dance next week at all, but you never know.

Our new 1961 membership cards will be out soon. All cards will be out soon. \$1.00 each — and henceforth membership cards will be shown at the gate upon admittance and probably stamped or punched or something — stay tuned.

Well let you know how the election turns out next week. Like goodbye and MERRY Christmas!

It was the night before Christmas and throughout the hall the cats were all swingin' and havin' a ball. Decorations were hung with maximum care.

In hopes that of Santa would be coming up there.

And then as the sulture crowd "Half past eleven."

Sassopod down upon us, like a jet out of heaven.

There flew through the hall at a speed we would fear.

A custom-built sleight with eight cylinder roller.

With chrome bubble skirts, all shiny and red.

Attached were mirrors, lights, and junk that would turn any
