

Happy Holiday!

Big day... lots of excitement for you and your family. Probably some driving, too. As you take to the road, remember the common-sense rules of safety... have a good time, wherever you drive. That's my wish to you from the careful driving company, State Farm Mutual.

GHS Wins Opener Against Milton

Superior depth and poor coverage on Frankfurter were also big factors in the win. Dunistra and Cross stood out for the Milton team but were unable to carry the team which appeared to lack the balance of their opponents. Practice and a few minor changes however, will make Milton dangerous.

Georgetown led 16 to 9 at the half and reserved the major part of their bombing for the late stages. The trend was reflected in the shooting percentages which shows they hit on just under 30% of their attempts in the first half and chalked up an impressive 45% in the second frame.

The junior players had the jump success with the same opponents in their opener. Sheppard with 13 points, Kitchener with 12 and Harshaw with 8 were the big point getters for the locals in the 45 to 21 triumph.

The next senior game is scheduled for the 11th when the league power, Action High, visits the red and blue.

By R. A.

Due to a rush of holiday activities, our column this week is of the barest, however, after the New Year records on an individual standing, goal keeper, etc. will appear weekly.

Thank you all for being patient. And now on behalf of the executive of Kid Hockey and their sponsors, Branch 120 Canadian Legion, and myself, we wish you all a more prosperous and better New Year to come — "Red."

CURLING CHATTER

FROM THE COUNTRY CLUB

Hope each and every one of you had the merriest of Christmases and may the New Year bring all the winning rocks in 1961.

It was sure difficult for the skips to fill their rinks this past week. But most games were played as scheduled even if some of the rinks played with only leads and seconds, while other rinks played with three skips and a vice. Yet the skips didn't fare so well.

After the score appeared in the paper last week, it was decided to change the scoring for league draws. The corrected standings will appear in this issue.

Big plans are under way for the gala New Year's Eve party planned for Saturday night. Better get your tickets early as I understand the tickets are fast disappearing. Understand the night will be the best yet — so get that doll on your arm and bring her out for the party of the New Year.

Did you know that it is 12 feet from the back to the tee and 21 feet from the tee to the line. There are 72 feet between the two bog lines. This makes a total of 126 feet from the back to the tee. It sure is a long way down when you are trying to take out a rock and are just a wee bit off the broom, as I usually am.

Sailors Default, Crowd Sees Pick-up Game Instead

Port Credit Sailors stepped up from the depths of the OHA Intermediate Central Ontario Hockey League to play Santa Claus to the local Raiders Friday night.

Their presence, handed over a little reluctantly, was 2 points — the price they had to pay on the league's statistics sheet for defaulting.

But the Port Credit sheet wasn't something the Raiders execs would have written Santa Claus since it had its damaging aspects.

A good holiday crowd was on hand to partake of some intermediate plum pudding, but the substitute bowl of junket that was served up apparently didn't appeal to their taste.

When only five Port Credits turned up for the game Raiders favoured refunding the customers' money but an arena board ruling gave them no choice but to put on some kind of entertainment.

A call for players from the crowd yielded Ron Ritchie of the Industrial League, a Junior B, Bob Hingham and Jack Tidford of Christies of the Lake Shore Industrial League. To this Raiders added their line of Joe Auger, Bob Demerse and Wayne Thompson and proceeded to play shinnery with their prefabricated opponents.

The Raiders even had to provide their blue uniforms and sticks to the pseudo Sailors which not only thoroughly confused the fans but had a deterring effect on the Raiders' ferocity.

Georgetown players (red and white ones) were hesitant about thumping uncomely attackers wearing blue and white crests that tagged them as Georgetown Raiders.

Well over two periods went by before either team did anything really noteworthy in the shambles. 7 to 3 Blackie Clements led the win of the Raiders with three goals, and Aug.

To old friends, acquaintances, and our many patrons... we sing out a most HAPPY NEW YEAR wish that 1961 will be filled with peace and success.
