ST. KITT'S GOAL IS WORTH \$65

Jan Popeil, 13 year old brother of St. Catharines defenseman , Paul Popeil won \$65 Saturday night in a puck shooting contest between the second and third periods of a Junior A game at St. Catharines Garden City Arena.

The younger Popeil, who lives in Georgetown with his parents, Mr. and Mrs. W. Popeil, was watching the TeePees play for the first time when he had his program number picked and was given two shots from centre ice at the goal at the south end of the

The goal was covered by a board on which was paint. ed a picture of TeePee goalie Roger Crozier. An opening had been cut out approximately a foot wide between Crozier's feet. Jan's first shot missed the goal entirely, but his second shot was "dead cen.

Saturday night marked the fifth night of the competition and it was the first time anyone had put the puck in the net.
