Congratulations to Mr. and Mrs. Jack Thorne who will celebrate their first wedding anniversary on January 30th. The Hornby United Church annual meeting was held on Wednesday, January 18th in the church hall. The ladies served a pot luck supper before the business meeting.

Rev. John Hill acted as the chairman for the evening and Mrs. John Wallace was appointed secretary. The meeting opened with the singing of a hymn and the chairman read the Scripture. The secretaries and treasurers of each group in the church gave their reports. The ladies of the church were given a vote of thanks for their financial support through the year. The stewards reported that there had been three weddings and two christenings last year.

The meeting closed with prayer. Sincere sympathy is extended to Mr. and Mrs. Jack McCarron and family in the death of Mrs. McCarron's mother last Thursday.

Randy Newton is a patient in Milton District Hospital with pneumonia.

Mr. and Mrs. Harry Newton were home from the States visiting with his parents over the weekend.

Brampton Butt As Minor Hockeyists Celebrate Week

Though no special games were planned, Georgetown's minor hockey teams did celebrate Minor Hockey Week locally but at Brampton's expense. The surprised Brampton clubs playing here in regularly scheduled Tuesday night games took 3 and 6-3 matings at the hands of the Bantams and Novices respectively and were outplayed in the game they won from the local PeeWees 2-1.

The Bantam encounter highlighted the night. Terry Lane, Alister Blair, and Mike Cummins each scored two goals and kicked up an assist in the rout. Fred Presswood had a goal and assist and Donnie Norton kicked the other goal. Murruck from Carson, and Carson from Keates were the only combinations that were able to beat Livingston who sparkled in the Georgetown net.

Novice snipers Jack Kemshead, Gerry Moody and Frank King each potted 2 goals as the Novices chased their opposition. Moody (2), Higham (2), Ladden, McFarlane and King collected assists.

Superb netminding at the Brampton end of the ice foiled the PeeWees in their bid to make it a clean sweep for the local minors. However, they stalked Brampton while scoring only one goal, that by Phil Lavelle from Paul Robinson, Garner and Tomlinson tallied the visitors.

Once operator of a vulcanizing shop in town, Frank Butterfield, 68 died on January 17th at Fergus. Mr. Butterfield lived in Georgetown in the 'twenties' and had his shop at the corner of Wesleyan and Market Streets. His business was purchased by the late Fred Sinclair, who later constructed the White Rose station on Main St. and entered the garage business there.

Mr. Butterfield moved from here to Windsor and two years ago moved to Elora. He leaves his wife, Gladys Bacon, an adopted son, Robert of Windsor and brother and sisters Jack and Mabel of Toronto, Ivan of Orillia and Mrs. M. E. Ferguson, San Pedro, California.

Mr. Butterfield was an Oddfellow, and members of the local Orion Lodge acted as pallbearers. Aunty Grant, Jack Presswood, Jim Collier, Clarence Spence and Fred Armstrong.

Home Economist Speaks to Ladies

The Women's Institute meeting was held on Tuesday afternoon, January 17th at the home of Mrs. John Bellbody, with the President, Mrs. Francis Thompson opening with the ode. Secretary Mrs. Len Coxie read the minutes of the December meeting and called the roll, which was answered by the ladies modelling an apron they had made and some real pretty ones were admired. A few business items were discussed. A committee was appointed to plan a social in February, three ladies named to look after a display for the Fair and also leaders mentioned for the next 4-11 Girls club.

The motto It Takes Face Powder to Catch a Man, but Baking Powder to Hold Him, was well given by Mrs. J. M. Wickson. The program was then turned over to Mrs. Fraser McNabb who introduced the guest speaker, Miss Frances Lampman, Home Economist for Halton and Peel, who spoke on Foods and the Effects on our Health. Current events were given by Mrs. Evelyn Barnes, who also acted as an auctioneer and bidding was brisk for the lovely aprons brought for the roll call. Sixteen dollars was realized from this sale. Mrs. Tom Brownridge moved a vote of thanks to the hostess and speaker and the auctioneer. The meeting closed with a social hour.

Congratulations and the best wishes from all at Ashgrove go to Mr. and Mrs. Fred Wigglesworth who celebrated their fifty-sixth wedding anniversary on January 25th. We all hope they have many more anniversaries together.

An item in last week's news was garbled in the typesetting and we are sorry for the error. The item should have read: The beautiful potted purple mums were placed on the front table in the church on Sunday morning in memory of their grandfather, Mr. Preece who passed away one year ago, January 15th.

Business on hand was discussed and plans made for the Band to play at Halton Manor in the near future. Several young lads have joined the Junior Band and the Band Leader reports they are doing well.

The last part of December was a busy time for the boys. They played Carols over the United Church Tower System, downtown and at Delrex Shopping Centre. Motorist Narrowly Escapes Injury

A matter of a few feet separated a motorist from serious injury or worse Friday night. According to a police report George Arthur Greenwood, 42 Main St. S., was driving east on Maple Ave. East and was approaching the CNR bridge when his car skidded off the road and rolled to the edge of the steep railway embankment, before coming to a halt. A few feet more and car and driver would have plunged to the tracks twenty feet below.

The car, a 1955 Chev sedan delivery, suffered an estimated \$176 damage in the mishap. Sgt. R. D. Whitson made the investigation.
