

# No Present Plans For Sixth Public School

## Portable to Handle Harrison Increase

With Harrison and Wrigglesworth schools requiring the most immediate action, the board at first leaned to a new building since construction of homes in the Lane orchard subdivision assured an even higher taxation on teaching facilities there. Some trustees felt that since a large percentage of the Harrison enrolment came from the area between Harrison and Kennedy, a new school there would leave enough teaching space at Harrison to absorb the registration expected from the orchard subdivision.

Development of the Moore Park subdivision at the opposite end of town would affect school boundaries and in any case the cheap accommodation offered by the portable plus the feature that it can be easily moved to wherever required, influenced the board to shelve plans for a sixth permanent building.

All plans for a sixth public school have been abandoned for the time being.

At a meeting of the Georgetown Public School Board last Wednesday night trustees threw out the idea of constructing a sixth school between Harrison and George Kennedy schools in favour of a single portable classroom to handle the projected increase in registration at Harrison.

When the new room is purchased it will be the second such addition made since the school was constructed.

The decision was born out of a report by planning committee chairman Roy Hansen which indicated that present facilities would be overtaxed in two years.

# Norval, Glen Anglicans Elect Wardens at Vestry

The Anglican parish of St. Alban's, Glen Williams, with payments completed on a new rectory built three years ago, is now discussing plans for building a new parish hall.

Rev. Ronald Stubley, who was appointed rector last fall, succeeding Rev. John Rathbone, presided at the annual vestry meeting a week ago when the year's activities were reviewed. William Korzak acted as vestry clerk.

Parishioners chose Jack Lucas as their people's warden and George Sargent as deputy-warden. The rector appointed Herb Preston, Jr. as his warden for 1961.

The next evening, members of St. Paul's, Norval held their first vestry meeting as a member of the combined parish of Norval and Glen Williams, with Mr. Stubley presiding at this meeting also.

Ormie Carter was re-elected people's warden and Sam White re-appointed as rector's warden. Fred Fendley acted as vestry clerk.

## Merger May Boost Industry

Amalgamation of the Canadian Bank of Commerce and the Imperial Bank of Canada might have a stimulating effect on Georgetown's industrial prospects, thinks Mayor Ern Hyde, who expressed this opinion Monday at council.

Announcement of the proposed merger came last week-end. It is subject to ratification later this year by shareholders of the two banks.

The Bank of Commerce has two local branches — the long established downtown branch, and a new one opened in Delrex Market Centre over a year ago.

How nice to have that lovely fall of snow after the severe below zero weather we have been having. Several farmers are having trouble with frozen pipes and shortage of water for their cattle. We could do with a big rain or thaw to help the situation.

Congratulations and all good wishes to Mr. and Mrs. Frank Wilson who observed their 23rd wedding anniversary on Feb. 5.

## GGIT, Scouts Attend Special Youth Service

The forthcoming Rotary District Conference at the Royal York, Thursday, Friday and Saturday, was the main subject at the Rotary Club meeting this week.

Illustrating his talk with slides, Jack Gunn spoke briefly on the magazine "The Rotarian".

After the slides, suggestions for a better system of distribution of Minstrel Show tickets were sought. Last year the members were dissatisfied with this part of the Annual Show.

Next week's guest speaker will be Robert Soles, Assistant Director of Department of Parks and Recreation for Toronto Township.

## TV Commercial Local Setting

Viewers on Channel 6 television Monday might have noticed a local touch in the commercials on the Don Messer show.

A TV crew spent a day last week at the Massey-Ferguson dealership of Murt Allison on No. 7 Highway making commercials for the show. They were filmed on video tape.

## CLUB MIDTOWN

Hi-Ho!

This week we go underground! All the way from the dizzy heights of the Rose Room, way down deep to the dark depths of the Delrex Restaurant. It should prove interesting, what with the change in altitude and scenery. We're going to have a whole lot of fun. Join us and have yourself a ball eh!

Once a month our much liked Mike Willingham will take over and run the dances. Ya, all by himself! He has a lot of plans that will prove to be great fun. That's "Mike's Mike" don't forget.

Well, after consulting my private oracle and checking the ball of mist and crystal, I have 'em! They're here! My pick hits are "Pony Express" by Danny and the Juniors, and "Surrender" by Elvis.

Stand back! The Midnight Rider just pulled in. It looks like, it sounds like — It sure is — my favourite man — U.S. Bonds with "Not for Me". This one will really bubble (and you all had better believe it). That's it for this week. See you Friday night at the plaza. You'd just better be there. Until then be good, take care, keep smiling and laugh a little. Goodnight M.L.

## Don't You Ashamed Of Being Too Fat?

We all are like to be appreciated, admired and envied. Unfortunately overweight persons don't get their best, don't feel their best, and consequently don't act their best. Naturally they aren't envied. Nothing will help to regain a youthful feeling get the admiring glances of friends quicker than losing those excess pounds. Why wait a longer to begin losing those dense pounds? Go to your doctor and ask for the Narcan Plan. In a short time you will see results or your money will be refunded by the manufacturer. My self confidence has certainly taken a boost since losing pounds. My friends all tell me much better I look. Previous self self-conscious and ashamed my appearance. I didn't want meet new people or go to new places. I now feel better in more than one and see that I have tried the Narcan Plan this ago.
