Rotarians Will Confer Annual Meeting in City

Many Rotarians from this area plan to attend the Annual Conference of District 707 of Rotary International from today to Saturday in Toronto, Tony Mendell, President of the Rotary Club of Cookville-Dixie, said today. The Cookville-Dixie Club is host club for the Conference.

42 Others
Representatives from 42 other Rotary Clubs in the District which reaches from Guelph and Shelburne in the west to Belleville in the east, will attend the Conference. This meeting is held each year, President Mendell said, to review Rotary service activities, and to make plans for increasing their effectiveness during the coming year. Rotary Foundation students of Past, Present and Future will attend.

Pearson Speaker
Representing the President of Rotary International, J. Ed. McLaughlin of Rolls, Texas, U.S.A., at the Conference will be President-elect Joe Ahey of Reading, Pennsylvania, U.S.A., Roy Jessup of Sudbury Director of Rotary International and the

Expense Picture Different For 1912 Firemen's Ball

The difference between the Firemen's Ball in 1961 and 1912 is that in 1912 they spelled it b-a-w-l.

And if you can conjure up a picture of a sobbin' brigade start conjuring because the story revealed by an old financial report brought to the Herald office by Fire Chief Bob Bonfield is not a happy one.

According to the crumbling document the 1912 brigade paid the amount of \$18 to provide the entertainment. The McGibbon Hotel took the unheard of sum of two dollars and twenty five cents to lodge and feed the band and one of them ran

Knuckle Rap, Bouquet For Two Councillors
36 Byron Street,
Georgetown, Ont.,
February 11, 1961

Dear Sir:
I am writing to you in protest of a statement, reported in your last edition of the Herald, as being opined by Cr. Jim Brown in last week's council in reference to the Dec. 1, 1960, plebiscite regarding the ward system of council representation and I quote:
"The plebiscite doesn't prove people want wards, it only shows they think they want them. Why don't we just chuck it out and tell people they don't know what they're getting into. We'd get a lot of phone calls, but we can explain we want a unified town and this is one way of destroying unity" unquote.

I would like to remind the councillor that in a democracy the will of the majority is respected and followed by the majority and his suggestions amount to nothing less than base totalitarianism.

On the basis of the Herald's recorded comments on this subject, it would seem that only Deputy Reeve, Elliott had any meaningful statement to make on the issue, when it appears that he had the foresight to seek expert opinion so the matter and further suggest that all councillors be elected by ward system and the three top officers by general vote. For this I believe he deserves a praise-worthy mention.

I shall be looking to your newspaper in the very near future to see a retraction of Cr. Brown's statement and a public apology to the 1395 residents upon whose intelligence aspirations have been cast.

The only reason I can see for some council members to be against a ward system, is that in some cases they would find themselves opposed by an incumbent and possibly defeated in the next election.

By the token of Cr. Brown's thinking we could assume that the people only thought they wanted him when he was elected to council.

Yours Very Truly,
—Brian T. Boyd

Honourable Lester B. Pearson will make the principal address at the Conference. District Governor, J. A. "Archie" Turner of Port Credit, Charter President of the Cookville-Dixie Club will preside at the Conference sessions.

Fine Entertainment
Gord Christie and Morris Magwood of Cookville are in charge of arrangements for the District Conference which promises fine entertainment as well as the business sessions. The Rotary wives include a tour of O'Keefe centre in their program.

Formally Elected
Dr. Henry Kingstone of Toronto "Fairbanks Club" has been nominated to serve as governor of this Rotary District for the 1961-62 year. He will be formally elected following the 200 other governors at the 1961 International Convention in Tokyo, Japan in May.

These District Governors will co-ordinate the service work of nearly 500,000 business and professional executives who are members of 10,700 Rotary Clubs in 119 countries.

Expect 3000 Extra Seats for Rodeo

If present plans materialize, an additional 3000 seats will be in the park in time for the Lions Club Rodeo, it was disclosed at the Lions Club meeting last week. The cost will be shared by the Fair Board, the Legion, the Jaycees, and the municipality.

While the rodeo was the main attraction, the thirtieth anniversary celebration, to be held on the 24th in Guelph, was also discussed.

Two contestants will be chosen soon from the local schools to represent Georgetown in the Public Speaking contest, sponsored by the Lions Clubs in this zone.

Garfield Brown, county clerk, presenting a short brief outlining his personal opinion regarding appointment of a County Welfare Administrator. "There would appear to be greater meaning in establishing a county welfare office now and for the future than at any other time heretofore," said Mr. Brown. "Each county now has a relationship with the Children's Aid Societies in the administration of the Child Welfare Program, operating in this way from a larger population base. The same is true in relation to the Homes for the Aged program. The care of persons in nursing homes would

Charge Speeding After Police Chase From Acton

A 12 mile chase early last Wednesday morning, by two Acton O.P. officers Mervin Hart and Bruce Kressler resulted in the arrest of a Georgetown youth, after speeds up to 105 miles an hour had been reached.

The two officers patrolling Acton noticed a speeding vehicle heading east through Acton and took chase at high speeds attempting to flag it down with flashing light and siren going full blast.

The speeding station wagon outraced the police cruiser on a sidereal leading to Glen Williams but police had obtained the number and during the chase radioed headquarters for driver owner identification and address. Following this they proceeded to the Georgetown address.

The arrived just after the local youth pulled into his driveway and placed the 22 year old under arrest. When asked his reasons for speeding, he told the officers he thought someone was chasing him.

FARM NEWS

First Aid Course Will Be Offered to Farmers
J. A. F.
Representatives of the Halton Farm Safety Council attended the Ontario Farm Safety Conference and Annual Meeting of the Farm Safety Council of Ontario. Over 300 delegates representing all counties and districts in Ontario, attended the two day Conference, February 7 and 8th, at the Ontario Agricultural College, Guelph.

The Conference theme was "Planning for Safety in '61". Included in the Conference programme were sessions on the results of the Ontario Farm Accident Survey; the work of Farm Safety Councils; and programme planning.

On Tuesday afternoon, Mrs. Evelyn Oates, Mac Sprowl and Agricultural Representative J. A. Francis, presented the work of the Halton Farm Safety Council.

The Halton Farm Safety Council represents all of the farm organizations in Halton, in planning programmes.

The results of the Farm Accident Survey indicate that one out of every ten farm families in Halton, will this year be required to give some form of First Aid, because of farm accidents. Applications are now being taken to First Aid Courses, sponsored by the Halton Farm Safety Council, in cooperation with the St. John's Ambulance Association.

One of the courses will be held during the afternoon, once a week. This course will involve five meetings. An additional course is being held as an evening session. Both courses will be held in Milton, and will commence the week of February 27th.

Mrs. W. Brownridge Presides at W.M.S.
Mrs. W. Brownridge presided at the February meeting of the Afternoon Auxiliary of the W.M.S. of St. John's United Church. Miss Mabel Forgrave led in the worship period and read from Phillipians 4 ch. and verses 1-9. "Prayer should be the most important thing in our lives, in prayer we can lose our anxiety and tension," stated Miss Forgrave. Wait on God in prayer and have faith. The answer will come in His own good time.

Mrs. G. Dobson and Mrs. J. R. MacArthur were elected to represent the W.M.S. at the Local Council of Women. Members reported sixteen visits to sick in hospitals and homes during the last month.

Mrs. C. Hayes gave a most interesting synopsis of the new Study Book, "The Ship Under the Cross." The author John Webster Grant was a writer and teacher having taught in India and Ceylon and had written several books on the place of the church in modern life. Mrs. Hayes stated the church must be an Ecumenical Church with no geographical boundaries and concluded with a quiz concerning churches today and we as church members, with Mrs. Nielsen assisting.

Carol McGillivray and Christine Tait were two young guests and delighted the meeting with their music. Mrs. J. Evans was accompanist.

Lost Weight — Feel Young Again
"I never realized how much better I would feel by losing weight. My weight had accumulated slowly for the last three years. I had continued to gain until I suddenly realized I was becoming quite large. I heard of the Naran Plan and have had wonderful results. I have lost 25 pounds easily and without having to starve."
Hamilton
A typewriter weighs about 25 pounds. Lift one and imagine what a strain it would put on your system if you were to carry it around all day. Excess weight is just such a strain. Don't punish yourself any longer — there is no reason for continuing to be overweight unless you are too lazy to walk to the drug store and ask for the Naran Plan. The Naran Plan is sold on a money back guarantee.

Would Establish Mental Health Unit for County

Sometime this month the Halton County Council will be considering the possibility of approving a grant to assist in establishing a County Mental Health Unit. Dr. Archie Bull reported at the regular meeting of the Halton Community Welfare Council in Burlington last week. "The cost to the county will be equivalent to the cost of one half of one hospital bed," stated Dr. Bull, and the benefits to the people of the area should be many times that. Welfare Council members voted unanimously in commendation to Dr. Bull for his tireless efforts of behalf of improving mental health facilities in the community.

Garfield Brown, county clerk, presenting a short brief outlining his personal opinion regarding appointment of a County Welfare Administrator. "There would appear to be greater meaning in establishing a county welfare office now and for the future than at any other time heretofore," said Mr. Brown. "Each county now has a relationship with the Children's Aid Societies in the administration of the Child Welfare Program, operating in this way from a larger population base. The same is true in relation to the Homes for the Aged program. The care of persons in nursing homes would

seem to be developing along the lines of dependence upon the county in the matter of licensing procedures. At the present time counties are in a great many instances assuming the responsibility of hospitalization for a certain residue of uninsured persons. I believe one section of welfare that could be administered very capably on a county basis is the new Homemakers & Nurse Services."

Mr. Brown, however, felt it would be advisable for local municipalities to retain direct relief assistance. Again, he stressed that this was but his personal opinion.
