Kinsmen Bulletin Has Readers in Far Places

Georgetown is becoming well known in Australia, California, and South Africa, through the Kinsmen's Bulletin which is sent there regularly by its editor Sam Meltzer. Last year, the local bulletin won the award for its sparkling presentation. At last week's meeting, Jim York was appointed committee chief for the spring carnival, with fervent hopes being expressed for a little more co-operation from the weatherman this year. Many local members will attend the District Kinsmen's Convention to be held at Prudholme's in Vineland in May of this year. It is hoped there will be a local Kinsman in the Gordon Harbison public speaking contest, which is held at the convention. A report was given on the President's convention at Preston, which was attended by Pres. Dean Taylor and Vice Presidents Jack Heslop and Jack Spence.
