### Choose McNeilly as President Of Delrex Ratepayers Group

A new Executive for 1961 was elected at last week's Delrex Ratepayers Association meeting. The new President is Robert McNeilly, vice-president Bill Richmond; Secretary Al Brewer, and Treasurer Jack Critchlow. Serving as directors are Ted Turnbull, Frank Ferguson, K. McCristall, and Hugh Powell. Two directors seats are being held for representatives of the Ladies Auxiliary, which is expected to be formed shortly.

ROBERT MCNEILLY

In Mr. McNeilly's acceptance speech, he thanked the members for their confidence in him, and outlined some suggestions for the coming year. He felt a Grievance Committee should be formed to listen to all complaints, and try to do something about them. "A continued interest should be sustained in the two men we were so successful in electing to council," he advised.

A storm brewed at this point when Mrs. W. Richmond asked to have the minutes of the last executive meeting read. Frank Ferguson pointed out it was not an executive meeting, just a group of twelve men, interested ratepayers, called together to try to revive "a defunct association."

Backing him up, Bob McNeilly added "We couldn't get enough interested members from the old Board of Directors to form a quorum, so we called others."

### Question Period At Church

Insurance man Jack Armstrong is not as brave as last week's Herald would have had him in answering religious questions at Anglican churches in Norval and the Glen, as was reported. Mr. Armstrong's duty on Sunday was to pass on questions to the rector, Rev. Ronald Stuhley, who provided the answers for parishioners.

Mr. Armstrong, a licensed lay reader, read the lessons at Glen Williams and the epistle at the Norval service.
