IN MEMORIAM

AUBIN — In loving memory of a dear husband, Gerry Aubin, who passed away February 27th, 1960. Someday we hope to meet again, Someday, we know not when. To clasp our hands in the better land, Never to part again. — Sadly missed by his wife, Dolly.

AUBIN — In loving memory of a dear father who passed away February 27th, 1960. We think of our Dad most every day. The things he did and the things he'd say. And we think of our quarrels, laughter and tears. We think of those many precious years — Sadly missed by Billy, Linda, Bryan and Gerry.

BEAUMONT — In loving memory of Matthew Beaumont, who died February 23rd, 1951. — Always remembered by his wife and family.

BENNETT — In loving memory of my Gramma Ethel Bennett. Upright and just in all her ways. Faithful, true, to the end of her days. In silence she suffered, in patience she bore, Till God called her home to suffer no more. — Ever remembered, Donna.

BENNETT — In loving memory of my dear wife Ethel who passed away February 26th, 1960. The sudden way you had to die I shall always remember and wonder why. To know we never said good-bye. Brings heartache and tears to my eyes.

So if my soul is weary and things go wrong I can hear you whisper Bill just carry on. I miss you Ethel more than anyone knows. And as time goes by the emptiness grows. Tears can be wiped away but heartache will stay. When I look at your smiling picture you seem to say. Don't cry Bill you know I am only sleeping. Trust in God to help us, to meet again some day.

Her husband, William Bennett

HILL — In loving memory of a dear husband and father, Chester Hill, who passed away February 24th, 1954. Though your smile has gone forever, And your hand we cannot touch. We have so many memories. Of you, Dad, we loved so much. — Lovingly remembered by wife Cora and family.

SCHERTZL — In loving memory of a dear husband and father John Schertzl who passed away February 22nd, 1960. Gone, dear husband, gone forever. How we miss your smiling face. But you left us to remember. None on earth can take your place. A happy home we once enjoyed. How sweet the memory still. But death has left a loneliness. The world can never fill. — Sadly missed and remembered by his wife and family.

Regional Planning. Vital Importance to Town: Mayor

Dear Mr. Editor: I would appreciate the opportunity of bringing a most important message to the people of Georgetown, through your valuable paper. On Thursday, March 2, there will be a public meeting in Georgetown which I feel probably pertains to one of the most important aspects of our future way of life. I feel every person residing in Georgetown has chosen a way of life, the natives most certainly through the years would have moved on to greener pastures if this way of life were not desirable and at the same time the newer residents most certainly must have chosen this as a desirable place to live and raise their children. Am I trying to suggest that Georgetown is perfect, MOST CERTAINLY NOT. There are many problems which we must try to solve. There are many things that must be done and all these things will take time and money, and so long as your tax dollar (which is very, very favourable compared to other municipalities in this area) is wisely spent, we will overcome our problems and realize our needs. What is this way of life that we have chosen and that we must cherish and protect? It is friendly, slower moving, safer for our children, healthier and much more economical and sound than our poor unfortunate fellow man that through his bonds, cannot break free of the big city. We have less crime per capita, less penalties per capita, less delinquency per capita, less traffic casualties per capita. We have no slums nor smog nor stench. How can we protect ourselves and maintain what we have chosen as desirable living conditions? We must first select a desirable population figure (my thoughts are 25,000) one that will support every type of business, every utility and every service that is necessary for good living, and secondly the area necessary to give elbow room and green grass to this proposed population and thirdly and by far the most important is to have a green belt surrounding and protecting this plan. You might say, what happens when we have achieved all this? Will we stagnate? Certainly not! From this point on will be the real progress. We will have a properly balanced municipality that will get continually better instead of bigger. In all the above I have said we meaning we the people of Georgetown, but certainly this includes all municipalities in this part of Ontario. How can all this be accomplished?

Members of the Institute enjoyed euchre on Saturday night at the home of Mr. and Mrs. Leo Jamieson. The winners were Mrs. Percy White and Mr. Cam McEnery. The winner of the lucky prize was Mrs. Cam McEnery.

Mr. Archie Lawr had the misfortune to lose a finger while working with a saw in his shop last week. He has been quite ill from the effects of medicine he had to take, but is now recovering satisfactorily.

Replace Water Screen In No. 1 Town Well

If you were wondering what is going on at No. 1 well on Maple Avenue, almost opposite the waterworks, you can stop wondering. Town Engineer Jeff Bligh says the old screen at the bottom is being removed and replaced with a new one. They are hoping by developing this well, more water can be brought in. Mr. Bligh also disclosed the new sewage disposal plant will be in operation shortly. At the moment there are only two employees, Mr. C. Fiddy, and Mr. Phil Carney.

JUNIOR TEAM CHAMPS

The Junior Boys Basketball team earned the district title for Georgetown High by virtue of a fine 35 to 27 win over Acton last week. The juniors are now waiting the results of the Northern District play-offs to decide their future competition.

Smoke Causes \$2,000 Damage to Home

Smoke damage may go as high as \$2,000 as the result of a fire in a Young St. home last Wednesday night. Fire Chief Bob Bonfield said the blaze at the home of Mr. and Mrs. Bill McMurdo, 7 Young, was confined to a bed, but the smoke was so heavy that the entire house will probably have to be redecorated. Doors blistered by the heat will also have to be replaced. The fire was discovered at about 8 o'clock by Mrs. McMurdo. Cause of the fire was not determined.

World Day of Prayer Service was held here in the Church on Friday. Mrs. Frank Smith was the key woman, assisted by Mrs. L. Marshall, Mrs. F. J. Shortill with Mrs. N. Snelcar singing the lovely solo "The Robe."
